

More on this Current Time in the Kingdom

(May 2022)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

“The time of change has come. You will never be the same again, but I have things to teach and to show you that you could not have received until now. These will be times to remember and to cherish even though they seem to be beyond your ability to fully deal with presently. It's not your power that will bring you through; it is Mine!”²

“I will put My word in your mouth, and when you speak they will be words that change the dynamics of the spiritual atmosphere and the spiritual landscape. This is your time to become what I have anointed you to become, and to be exactly what I called you to be.”³

*“I keep hearing the voice of the Spirit saying, call My people to a position of understanding that their desire to know Me is greater today than it was yesterday and greater in these moments than it ever has been before. Tell them to press on into the high calling of **this season and of this age** into My presence. And, if they will do so I will lead them out of the valley of destruction. And, I will bring them forth into the light and hope of that which I have designed for each and every one of them. This is what I am calling you into today. Come. Come and be one with Me. Come and know Me.”⁴*

"This is a day of might and power for all My lovers who trust in Me. There will be many who will tell you to quit, to leave, to walk away. But I whisper into your spirit- 'Come closer to Me!'"

The days of heaven on earth will now be revealed. My outpouring and outshining will be seen in the heavens and on the earth. Never fear the reports of men, for I am the God of the Great Reversal, and I promise that the days of many changes will result in the days of many miracles! ...

The unveiling of mysteries will be seen in the next few days as you continue to walk with Me. Even now I have sent My angels to bring to the earth the trumpet message of My appearing.

*Listen to those whose voices are like trumpets and they will gather you into My Sanctuary and speak the words that have been spoken above, for these are the days that I will pour out heaven onto the earth and shake all that must be shaken so that you will come before Me with the purest of faith."*⁵

*"It is time for My church to come out of hiding and fulfill My purpose. I am raising up those who will be deliverers to this generation. The earth is groaning and travailing. The time is now! You have been hidden away, but now you have outgrown the place of concealment. I am setting up divine connections for you that will propel you into your purpose. I will cause you to be raised up in the very place that once threatened your destiny. I am causing a turnaround for you. The enemy's verdict, plots, plans and schemes will now be overturned."*⁶

"A few nights ago I was awakened by the words, "That's not gold, that's wood. That's not silver, that's hay. Those are not costly stones, that's straw and stubble."

Often what's gold to us is wood to God. I asked the Lord, "Are You messing with me again?" ...

I see the Lord striking a match to set His church on fire. But first, this fire will burn up some precious things that are not of Him...

I sense that many of God's people are bewildered and angry right now because for some reason, the Father has allowed some precious things—relationships and things you thought you couldn't live without—to go up in smoke and flames.

Focus on what you're gaining, not what you're losing!

The enemy is trying to convince many people to blame God for what they have lost and to turn away from Him. Many are so angry and bitter that they cannot hear God at all right now...

The enemy is telling you to look at what you are losing. Jesus is saying, "Look at what you are about to gain!" If you have lost something that you believe it is God's will for you to have, then He is able to bring it back in His timing. Things that we think we can't live without are often very frail and combustible.

Is God dwindling us down to needing and loving one another?

I hear the Lord saying, "Circle the wagons for what is coming." I saw a circling of the wagons that looked

like a defensive move in the Spirit, but it was an offensive move. We got out of those wagons that held—you name it—and gathered around a campfire to warm ourselves and make those marshmallow, chocolate and graham cracker things. As we did, I noticed the wind blowing a spark of that campfire that was blessing us onto a covered wagon, catching it on fire. Then that wind blew the fire onto the next wagon and continued to burn the rest. Even the wagon wheels were burning. If it was the enemy, the Lord seemed to allow it, because for some unknown reason, He wanted us to travel light.

I then saw us standing together, circling the campfire, holding hands while the campfire began to go out. We were discovering that hands were meant to be held. We may not have liked one another, but soon we realized that we would need each other to survive. Often, survival comes before revival. Then as we embraced one another and realized our need not only for God but also for each other, the fire of God blew upon us, and we began to burn as firebrands in the hands of God as the Lord began to do great things, new things and awesome things in the earth through us...

I smell something precious burning. Travel light.”⁷

(★ Extract from a prophetic article published on 26-5-2022)

“love is the key to entering the realm of the glory of god on earth now.

There is a test of our love before the presence of the full glory of god manifests among us.

The smokescreen of the test or trial of the enemy stands between us and the presence of God’s glory in and with us.

We may feel like we have lost our way and cannot see the coming glory while going through the smokescreen of doubts and fears that arise in our minds.

Yes, we have truly witnessed a foretaste of His glory within His presence. And we have clearly heard the direct promise from Spirit God of the imminent coming of the greater fullness of His glory.

So, why does it seem that nothing is working just right and we are encountering drawbacks of aggravation, doubts and fearful eruptions going on around us.

The devil is full out trying to stop us.

If he can stir up enough troublesome thoughts and circumstances around us, perhaps he can cause us to turn back or turn aside and not step through the fog and into the greater glory that God has provided.

The troubling things that the devil means to stop us only serve to call our attention to our need to deal with issues within ourselves, and to lay aside all that is not of God in our lives.

In the fog of near despair, we cry out to God to help us to be so in love with Him that none of these other issues can get through our minds and down into our hearts.

In other words, we cleanse our hands and purify our hearts to ascend the hill of the Lord in the presence of the King of Glory...

DO NOT ALLOW THE TRIALS TO HINDER

The trials confirm that the Spirit of Glory rest upon you.”⁸

Mike Parsons

(★ Extract of revelatory knowledge expounded in conversation on 25-5-2022)

“I see another area where there are three things that I think God is de-constructing people from. One is the religious spirit and the religious systems and their religious doctrinal views. The other is the political system and the other is the financial system. I see that as part of the Kingdom bringing about a reality of the truth, rather than the deception of being stuck in religious system or a financial system. If we're going to see the Kingdom established on Earth, as in Heaven, then we're not going to operate in a worldly financial way. So we've got to transition out of (not just the brokenness of the financial system) all the financial control that has through that system over the world. And everything else, including all the wars and the media. And so, I see that financial control system operating through the opposite of God's Kingdom, which is division and competition and conflict and warmongering and tribalism. So I see that happening. And God is unveiling and revealing that this is going on, which then opens up the door also for the political system, because that's what also operates division and competition and tribalism, or nationalism. Let's call it that in that instance which is what you've got going on in Ukraine and Russia with this national perspective of competition and warmongering. Same thing really, under a political guise.

So I do believe God is awakening people to the failure of the political and financial systems, to be able to establish, certainly the Kingdom of God on Earth, but anything positive, really, when it comes to that. When it becomes conflict and tribalism or nationalism and defending ourselves against others and all of all of that. And then you have the religious deconstruction which is going on, revealing the true nature of God and setting people free from that way. Well basically, I think it's from the law really or the Old Covenant mindset about God. I just see that deconstruction for me has just gone even deeper to realizing that so much of what I thought was just normal Christianity was actually Old Covenant religion. We've applied a lot of Old Covenant religion to the New Covenant, which it didn't need to have. Therefore, the eschatology of the end of the Old and the transition of what the New Testament describes, and a lot of what was written to help them understand what was going on in the persecution from the religious spirit and the political spirit, because that's what they were facing.

I think that people are being awakened to have a different perspective to the Bible and to who God is, and to who Jesus is, as the real 'Word of God' and therefore, the bondage to the doctrine and theology and the religious spirit is because we have a Bible, mostly. If it wasn't the Bible, we wouldn't have that deception. It wouldn't be there. It is, so a lot of that, I think is also being revealed. People are realizing that for the first 385 years you know the gospel and the good news of Jesus spread throughout the whole world, basically. Then they got a book and [they] entered into the Dark Ages. I don't think it was any coincidence that they got a book and entered into the Dark Ages because it put the light under a basket, hid it, it was no longer a city on a hill open for everyone to come in... They used the Bible to indoctrinate their groups to what their view of the Bible was. Only really those who really just heard God for themselves, were truly following what Jesus said, “You can hear my voice”. We went through the whole stage of it becoming absolutely totally dependent on the Bible with the protestant Reformation and on into evangelicalism. Now I think. God is de-constructing all that and bringing us back to the simplicity of, “Hey. I'm here and I'm speaking and you. Just listen. We can have a relationship and we don't have to have a relationship through this book.” ...

So I think, God is bringing it back. So a lot of deconstruction around these things is taking place, in preparation for a transition to an established Kingdom on Earth as it is in Heaven, which isn't going to operate by the financial system or the political system or any other 'Tree Of The Knowledge Good And Evil' system. It is going to operate on Heaven on Earth, operating under a completely different thing, covenant. But true covenant, in the New Covenant, where all the promises of God are realized in Jesus and we're all included. [The] actual covenant is “we're here to bless each other”. What's mine is yours. What's yours is mine.” We're blessing each other and therefore we don't put a portion value on people according to how much money they earn or how much money they've got which is what that materialistic system is. And, how happy you are, is depending on how much you've got. We've got to get people free from that financial system, of their worth and value being commodified.”⁹

(★ Message received on 3-5-2022)

“I’ve said many times that you need to align with me. That’s in every area, not just the areas that you believe need to be aligned. I am yours and you are mine, and we’re in partnership to see the expansion of the Kingdom and Heaven manifested on Earth, so everything in your life must align with me. But I will say, that to get to the point of total alignment takes time – it’s not an instantaneous thing. Don’t ‘beat yourself up’ if you can’t align with me in every area that you know you need alignment. I will say, that there are many areas in your lives that are out of alignment that you’re not aware of, because I haven’t exposed them to you, revealed them to you, because of your immaturity.

Kingdom life as a son is about growing and developing and maturing, and it does take time. You’ll be pressured (and you probably have been), to perform in certain ways that are considered spiritual and that are said to be pleasing to me. But, if you develop an intimate relationship with me, and lean on me and learn from me, and enjoy basking in my love, I will work with you to take you to the point where you next need to be. Then, step by step after that, for you to grow and develop into operating as a son should operate.

Relax. Rest in me. Don’t allow anxiousness and pressure to take away your peace and your rest. I’m not in a hurry for you to come up to a particular standard. Life with me is relationship, and that’s the ‘number one’ thing, not performance. I love you passionately, no matter what level of spiritual growth you get to. I just desire for you to be one with me, through a process of intimacy. If we’re working on that together, I’m thoroughly pleased.

Out of our intimacy, and eventually oneness, you’ll learn how I want you to operate. You won’t need the direction of men¹⁰. You won’t need a religious standard to rise up to. You’ll just need to hear from my loving heart, what you need to do, where you need to go and who you need to become in your natural life on Earth. It’s all very simple. Religion puts pressure on you. I don’t. It’s that pressure that the enemy uses to bring destruction and chaos into your life.

So, put all that aside, deal with life situations and circumstances, as you would as an adult, in every area, and allow me to speak into every situation and circumstance, to give you advice. As you grow spiritually, you’ll know what to do, but in the meantime just love me, be with me, and we’ll work through your life together. You’ll find that way, life will be enjoyable, and the issues and problems of life will become just a little ‘bump in the road’ that you and I work through. Sure, there will be some miraculous resolutions, but most of life in this ‘fallen’ world, is ‘hard yakka’¹¹.

The hardest thing you have to do is to reject negativity. Reject anything that’s not coming from me. That’s the hardest thing, because you’ve submitted to them all your lives. That will be a key for you to move forward. And reject anything that you know doesn’t come from the Kingdom.

So, let’s move ahead together. Deal with those things in your life that need to be dealt with, and let me see you enjoy life in every area [of it] – that’s how we created you to be.”¹²

>> There’s more to come, but you must keep watching and listening for yourself <<
