

More on this Current Time in the Kingdom

(July 2022)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

Kirsten Rossiter

(★ extract from a prophetic message published on 1-7-2022)

“Nothing will ever be the same again. I am making all things new. I am rewriting history, rewiring and rebooting church- and world-systems, rebirthing nations, resurrecting dead bones, repositioning and replanting My Oaks of righteousness and bringing forth the greatest reformation, industrial revolution and Renaissance period that the world has ever known.”²

“Yes, there has been delay that many have faced over the years and I am dealing with that, I am breaking delay. But also many have labelled my process and waiting for my appointed timing as delay. I am inviting my people deeper into my heart to learn more about my ways, my seasons and my timing. For those that are drawing close to me and listening to my heart, I am teaching them more about my divine timing and increasing discernment in this hour. For I am raising up a people that hold tightly not to their own clocks, but live deeply in surrender to me and my ways and my timing and recognise the times and the seasons. As my people come deeper into my heart in a place of surrender, asking me "teach me lord about your timing, increase wisdom, discernment and understanding upon my life to understand and discern with great sensitivity your ways and your timing, I am taking them into the deepest well of encounter and revelation of my ways and my timing that they have ever been in.”³

“There are new realms of My Glory that I am inviting My people into right now. Position yourselves. Position yourselves. Marinate in My presence. Eliminate rush, eliminate busyness, come deeper into My presence, for I have great and unsearchable things to reveal to you. Ask Me!”⁴

Scott Allen

“I took you there representing My Bride. What you saw, heard and felt in Heaven just now is for all of My sons and daughters in this hour. You and everyone who reads this word [will] receive a fresh, new commissioning from Me...for the ‘restoration of all things.

The enemy has ruled this world for so long, and it is time for My purified sons and daughters to take his place. You all need My impartation from the Tree of Life for that. And with it comes new authority to rule with Me from My throne—to restore from the fall many people, places and things in the days and years ahead. You need the fear of the Lord for this. Believe and you will receive!”⁵

“Transition Prophets Forerunners Of The Next Move Of God

There are some prophets uniquely built and anointed for transition seasons in the church like John the Baptist who was a voice crying out in the wilderness - prepare the way for the Lord - make straight a highway for our God.

He was the transition prophet - the Elijah to come, closing out the Old Covenant and preparing the way for the New that would be inaugurated through the Messiah - Christ Jesus...

Transition prophets are not necessarily popular. But they can attract crowds when God gives them that platform. They come to shift mindsets - paradigms - by saying 'Repent - the Kingdom of Heaven is at hand'. They are the forerunners. They announce the Dawning of a New Day - the Dawning of a New Era. They have an Elijah anointing to turn hearts and align generations.

They are misunderstood and hated by the religious leaders who despise their message. But they are used by God to prepare the way for what He has planned - a new move of God that will radically shift things in His church and Kingdom. They are the transition prophets. And they have a message from God that is burning within them.”⁶

- *God showed me [a] vision. I saw a volcanic mountain representing mount Zion, the habitation of the Father.*
- *Then He showed me that the heart of the Father is inside that mountain like a burning fire and His heart held all the sons of God. They were undergoing a deep cleansing and purification within the fiery passion of the Father's heart.*
- *All these sons were like glistening diamonds being cut into shape by the different facets of God's*

word⁷ because they will radiate His glory when released.

- *Then He showed me...that there shall be a powerful sudden eruption, like a volcano, that will release these purified sons and daughters of God, high up into the realm of the spirit through resurrection glory, because there shall be a gathering within the Heavens.*
- *I was resting on my bed, wide awake, and suddenly the Spirit of God opened up a portal above me and...I saw the gathering of the eagles. These eagles flew high up in the realm of the spirit world.*
- *Jesus declared "You are the fulfillment of prophecy and I shall lead My end-time body through My eagle sons and daughters."*
- *It's been a very long struggle and battle and many are tired and weary, but rejuvenation and refreshing and great strength and restoration shall come by the Spirit of resurrection.*
- *Those who follow Christ through laid-down lives, in the way of the cross, have pursued the Father into His mountain of meeting like Moses and they have asked and desired to see the glory of God, so He hid them, like Moses in the cleft of the Rock, that Rock is Christ. First the Word becomes flesh within you through your obedience and relationship-building with the Word (Jesus). Next you become filled with the Holy Spirit because the Word and the Spirit are one and the Spirit manifests the life of the Word in you. Then you become the voice and the operation of the Word by the power of GOD.*
- *In him you become the authority.*
- *Jesus said to me, "My Kingdom is within you, so you shall be as a window in Heaven and I will shine My glory through you"...This is the essence of all pure ministry. We live to witness and give testimony of what the Lord does through us by His Spirit, as we constantly abide in Him. He is our habitation.*
- *Through a very powerful prophetic revelatory encounter, I was caught up into eternity and I found myself being raised up and drawn into the mountain of God. I traveled like a rocket through Holy Spirit resurrection power way past the realm of paradise, which is the outer court realm of the Kingdom of Heaven, and deep into the core of my being. I felt the love of the Father at work and how He was drawing me to himself according to His words spoken to me years ago when He said "Allow me to work. If you allow me to penetrate your depths, then you shall find that I have become your sure foundation."*
- *We willingly yield ourselves constantly to be drawn to and to be completely conquered by the King of Heaven, until we are made one with God as His holy habitation. The Kingdom of God is the Mountain of God which is surrounded by paradise.*
- *When I asked the Father years ago "So how do I have a relationship with You?" He said, "Just follow My Son and I will come to you. You come to Me through My Son and I come to you through My Son, and in Him we become as one."*
- *We are to become the habitation of God.*
- *When that mountain erupted to release the sons of God they all fitted together like a puzzle to create a massive portal window-type gateway within the Heavens.*
- *He says the same as in Revelation 3, that God will cause our enemies to bow before the reigning sons. This is to be understood because they are victorious kings and priests, after the order of Melchizedek, under the headship of Christ.*
- *The day of His power is unfolding before us.*
- *The manifested glorified sons shall become the voices of the thunders of God, and they shall become the voice of His mountain to speak forth the divine counsel of God to those who are still in the valley*

of decision.

- *This coming Kingdom is that "stone" prophesied in Daniel 2.*
- *It is time to thresh the nations!*
- *We are the daughter of Zion, we are His threshing bride. We shall arise and shine for our light has come. Indeed we come through a long birthing and painful travail and the Spirit of God declares "you are birthing the destiny of an entire generation!"*⁸

"You will not find Me in your Churches for they cannot contain My glory in their present form. You will not find Me in your Schools for your laws have made it illegal to read the Bible. You will not find Me in your government for they wish and work towards extinguishing Me from your society. In essence, you have thumbed your nose at me and said we do not need you. You will find Me in small cottages where My life, light, and word are received with gladness and shared with all that will receive it.

*Tell Me, who will escape the storm, destruction, and death that is at your door even now?"*⁹

The Kingdom's 'Great Reset' started 2,000 years ago and is at last picking up momentum as sons start align with Father's plans. This is what we should know about the Kingdom 'reset'.

"The greatest worldwide reset of all history began at the virgin birth of Jesus the Son of God in a human body to redeem and restore the fallen world to the perfect order of the love of God, the Kingdom of God.

Very specifically Christ Jesus came to reset the world order to the Kingdom of God, as it is in Heaven.

*The method of god in Christ Jesus was to produce sons and daughters of God – a population of sons of God – a family of God ruling every aspect of planet Earth in perfect oneness with God."*¹⁰

As part of **the Kingdom's Great Rest**, mysteries (secrets) of the kingdom are being released in these days:

"In this season of mysteries being revealed many believers have received the greater fullness the Holy Spirit saturating their inner being with the love power and wisdom of Spirit God. Holy Spirit is implanting the mind of Christ that opens our hearts to deeper realities of the resurrection life beyond the cross that is far beyond natural human wisdom...

Carnality and human wisdom have locked much, if not most, church systems out of the fullness of the experience of maturing into the deeper reality of Holy Spirit love, wisdom and power...

Be awakened to the reality that there are mysteries of deep hidden wisdom of God that are only revealed to those in love with God by the Holy Spirit. The hidden mysteries are not discernible by the natural mind. These mysteries open the way into the wisdom and power of God to know by the Spirit what God is doing and that which we can do to align with what He is doing and release it into our lives and the world around us.

Much of that which many very smart men have derived from the Bible by the wisdom of man is incomplete or simply wrong. These erroneous interpretations of the Bible are washed away as the Holy Spirit reveals the mind of Christ to those who are in love with God.

10 – "God's Worldwide Kingdom Reset Part 1" www.openHeaven.com/2022/06/30/gods-worldwide-kingdom-reset-part-1-ron-mcgatlin

We must move on through Jesus' death on the cross into His resurrection life, His ascendance to His throne in Heaven, and His Spirit return to Earth in the Holy Spirit to dwell in His people that are His temple not made with hands, His many-membered Body, and His spotless perfected Bride to rule and reign on Earth. These realities and more are GREAT MYSTERIES to the world and to many, if not most, Christians.

Why have these deep mysteries been hidden from the minds and hearts of people? Even people seeking the knowledge of God, as well as those who do not know God the Father or Jesus could not see the hidden mysteries.

Very briefly stated, mankind had to be prepared or made ready to receive the deeper mysteries. Much, if not most, of mankind is still unprepared to receive the hidden secrets of God's order for this world.

There has been progressive uncovering of mysteries of hidden wisdom among remnants of the people. It has been piece by piece here and there ever since the life and works of Christ Jesus planted the seed of the kingdom of God into this world.

Christ Jesus became the foundation and planted the reality of Heaven on Earth in living seed form in the word. The words of Jesus are even now, 2000 years later, still growing into place in this world.

Today, here in this writing, I can speak of mysteries of the word of God and some of you may have a hard time reconciling them with some of that which has been taught to us as truth in the past...

For all of us, including myself, there are concepts, teachings or doctrines that have been planted in our hearts that cause us to believe we already know what the word says. However, there may be much more and much deeper Spirit reality revealed to us by Spirit God in this new day of the Lord revealing mysteries that were previously hidden.

I had concerns many years ago when mysteries began to be revealed by God. However, the light of God in the love of God was and is so great that it flooded my heart with peace, love and joy and overcame all of my concerns. God's love, peace, joy, grace and mercy along with His wisdom, and power are beyond our grandest imagination.”¹¹

WE ARE ENTERING THE DAYS OF FRESH VISION, BUILDING PLANS, & NEW WINESKIN MOVEMENTS

“Get ready to move from this place you have been in, for it is too limited and small and the ceiling has been reached. It's time to let go of the tools in your hands, your methods, and your plans, and receive something fresh and new.

“For the enemy knowing in part what I have been waiting to pour out, laid out his plan to keep My people stuck and in limbo, so they would not be able to move where I am moving.

“But his plan has failed! For in the midst of great pressure and uncertainty it has awakened a people ready to let go of every last shred of the old to pick up the new.”

“So watch as I pour out fresh vision upon those who have said, 'Lord I feel blind and lost!' For I am going to now open the floodgates of revelation upon the hearts of those who feel empty and starving and fill them with manna for the days to come”

"In a day they will go from scattered and confused minds, to clear and bubbling, with laughter and joy at the new vision I place in their laps.

"I am so longing to show you what is to come. I can't wait to give you wisdom and strategies to navigate the current and future events and lead you in peace and protection.

"The fear and foreboding that has been hanging over your head tormenting you from the moment you wake is now breaking. Every prophecy from hell that you allowed tainting your vision is right now being exposed.

"For I am going to show you what I see and break off the wilderness glasses that have been blinding you and keeping you from boldly taking the territory I have given to you.

"Even right now your feet are beginning to burn with anticipation and your heart—that once felt numb and broken—is beginning to feel the fresh sunrise breaking through and you will have to see with your own eyes to believe what I am bringing to you."

Nate Johnston

FROM THE WAITING ROOM

"So get ready for there is about to be an unlocking of the gate that has been holding many back from birthing and establishing these new blueprints and plans.

"The waiting room has been a season of preparation and severing but that season is coming to an end for most as I now ignite what has been preserved until now.

"There is coming a mighty boom of movements that aren't like any other movement you have seen, in fact, these movements are the new wineskin movements that will be the vehicles and facilitators of My Glory in the earth.

"They will be the heralds of My heart in the earth, carrying My thoughts and desires that will realign and recalibrate My Church.

"And you will be so surprised how quickly you will go from cornered and out of options, to building and creating the new with Me with no religious parameters."

Nate Johnston

RESTORING THE FALLEN

"And I am going to restore the broken down and decommissioned and put tools back in their hands.

"I am breaking off the old mindsets and blindfolds of their last building season and healing them and ushering them into a new building season.

"For they thought it was over but the only thing that ended was a model of the Kingdom that was not conducive for health and transformation going forward.

"And now you will be given the plans for a new work that will be unlike anything you have built previously.

"It will be a season of building with surrender as you learn a new rhythm and find what My heart beats for, and I in doing so will make your heart come alive again

"And I will remove every knife from your back and heal every broken hip from your seasons of wrestling on the battlefield."

“Have you prepared yourself for what’s coming? I’ve given you adequate warning, I’ve given you advice and I’ve given you directions.¹³ Have you followed through on them?”

I warned my people in Jerusalem about the coming destruction, and they escaped the attack by Rome. Your circumstances will not be as devastating as theirs, but I warned that [your]¹⁴ future was dark,¹⁵ and there’s need to align with me and to hear from me.¹⁶ I gave you preparation instructions. These I didn’t give for the sake of saying it or for ‘blowing my trumpet’, but for your benefit.

Be warned! The future is bright for my sons, but it is dark for the world. Your responsibility as Kingdom citizens is to shine the light that will continue to grow in you, becoming brighter and brighter as you mature in your sonship. But that requires you to listen to me so I can tell you what to do, where to go, what to say, and who to become. We are working in a partnership, and that requires close co-ordination between all of us, individually and corporately.

I informed you many years ago that I would be shaking everything to the core, to expose the foundations of everything in society and in the lives of individuals.¹⁷ Did you think that didn’t relate to you? Did you think that wouldn’t have any impact on you?

I gave you the warning that it was being done and that it would increase, for your benefit as a son. I invite you into my realm, [into] what I’m doing, and we work as a team. So, I tell you what I’m doing, I don’t hide things from you. That’s why it’s essential to hear what I’m saying to you, to perceive with your spirit the things that need to be perceived. Which is why you need to ask [me] for wisdom, knowledge, understanding and discernment, in these times.

*You can’t live a life of ease [and] you can’t go through life with a laissez-faire attitude. Being in the Kingdom is about business – my business, Father’s business, our business. You were created to work with us on our business, and you are doing it. You may not realise it, but it’s important that you do realise it. That’s because you can’t give 100% effort into what we’re doing together, unless you actually come to the understanding that we work with you and through you. Sure, we could just make everything perfectly correct, perfectly right, perfectly good, perfectly righteous. But, we created humanity to be in charge of the natural realm, and that’s still a status that remains in effect. Once you come into our Kingdom, that becomes a **mandate** on your life, to work with us.*

You must learn to see things from our perspective, not your own. Not from the teachings of men or the ideologies of society. Your worldview must be a Kingdom worldview¹⁸ because the Kingdom is [already] here. It’s back on Earth, it is growing and it will succeed – there’s no ‘plan B’. The Kingdom will cover the whole Earth. It will expand into the universe,¹⁹ and it will be ours once more, with you in charge. This is “the big picture”. I’ve asked you to get a view of “the big picture”, so I share it with you now.

*I look forward to you talking with me and listening to me, so I can share more with you about what’s ahead. **There’s a lot ahead of us, a lot to go through [together].** A lot to see take place, a lot to be **fulfilled, before** we reach the **climax** of The Restoration of All Things. So, listen to what I tell you. Prepare yourself in every respect. Don’t let fear drive you. Trust me and work with me, and we will see the restoration take place that’s in my heart to see done.”²⁰*
