

More on this Current Time in the Kingdom

(August 2022)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM MESSAGES

“Be calm and refuse to allow circumstances to upset you. Remember that I have everything under control, and you need not worry. This time will require faith and patience for you to get through successfully. Steer clear of fear and allow My Spirit to guide every step.”²

“Now is the time that you can bring to conclusion many facets of your life and circumstances. Pay attention to opportunities to leave the past behind before your begin to look to new horizons and forge ahead. Take advantage of turning point moments and be sensitive to the leading of the Holy Spirit.”³

(★Prophetic downloads recorded in August 2022)

“In these days it is imperative that you live and walk with the Holy Spirit. He will lead and guide you into and through this next period of time. Things are not always as they seem from a natural perspective. You must have My Spirit so you can discern these times and seasons. Stay connected to Me, says the Lord.”⁴

“I want you to be involved with Me in the process of time and live with Me. If you want to be one with Me and go on the path that I have set before you; if you want to be directed by My Spirit and desire to receive all that I have for you, then it will be yours to have. I say to you the transforming power of My Spirit that rests upon you in these days will indeed bring you forth into the glory of your destiny. Do not be afraid or

“This is the one of the most critical junctures of history, especially for the Church. The Lord is sovereign and yet our obedience and diligence toward His instructions, voice and ways has never been more important to inherit our complete new beginning. This is about the Lamb receiving His reward, His Bride, and when allow the unclean spirit a home in the new building / era we are not cleaning and purifying the Bride we are defiling her! For the union of the Son and His Bride, God’s love not only confronts, it cuts. When Jesus was on earth He said, “Do not think that I came to bring peace on earth. I did not come to bring peace but a sword.” Matthew 10:34 NKJV. And in the Passion Translation, “Perhaps you think I’ve come to spread peace and calm over the earth—but my coming will bring conflict and division, not peace.” Matthew 10:34 TPT. In the footnotes of The Passion Translation it is written that the Aramaic word harba can mean either “sword” or “war” and in the Greek either term signifies division.

The impending war and judgment we are facing will surface in our natural earth realm, however there is no doubt the war is first waged within the mind of man. Similarly the great judgement is a divide of the mind; a deciding for or against the beliefs that have taken root in the heart of man. “For the word of God is living and active and full of power [making it operative, energizing, and effective]. It is sharper than any two-edged sword, penetrating as far as the division of the soul and spirit [the completeness of a person], and of both joints and marrow [the deepest parts of our nature], exposing and judging the very thoughts and intentions of the heart. And not a creature exists that is concealed from His sight, but all things are open and exposed, and revealed to the eyes of Him with whom we have to give account.” Hebrews 4:12-13 AMP.

*It was the Pharisees that made for themselves fail-able kingdoms on earth that decay, their self importance building towers high, “Rightly did Isaiah prophesy about you hypocrites (play-actors, pretenders), as it is written [in Scripture], ‘These people honor Me with their lips, But their heart is far from Me. They worship Me in vain [their worship is meaningless and worthless, a pretense], Teaching the precepts of men as doctrines [giving their traditions equal weight with the Scriptures].’” Mark 7:6-7 AMP. This religious spirit would be responsible for our slain Bridegroom King, it lay with the unclean spirit that would seduce and lead astray the loyalty of hearts, blinding men from the hope of an eternity with our risen Lord. Holy Spirit lead us to the measuring rod, may we build for You with purity of mind, heart, action and speech; help us to love the discipline of the Father as we build an unshakable Kingdom for Your throne, cleanse and sanctify us that we may share in the beauty of Your holiness. Make us holy because you are Holy, we want to look like you and behold Your form.”*⁶

“I’ve now heard from at least 3 different people in the last week (2 of them being prophets) that these next “TEN YEARS” are going to be critical. Two years ago, the Lord told me to get ready for the next “ten years” (a reference to a time period, not exact years). I knew what He meant. It was not some dire warning of coming trouble. Quite the opposite. He said that the next “ten years” are going to be a major overhaul and transformation of “church” as we have known it. Our entire culture is about to shift. We are entering a rebirthing and rebuilding time, setting new foundations in place for years to come.

This is but one reason why I know we’re not leaving any time soon. Sorry to burst any rapture bubbles, but we have been strategically placed and prepared for THIS time of awakening and transformation...

This isn’t just about settling an election,⁷ defeating a cabal, or cleaning up corruption. We get to be a part of changing history. We get to see, with our own eyes, a supernatural transformation occur on the earth

that will be spoken of for generations to come. Don't let the enemy rob you of this privilege by giving in to frustration, doubt, or cynicism.

History makers aren't swayed by popular opinion or temporary setbacks. They are born and bred to defy the odds and forge new paths. They are willing to be different and misunderstood, for they are fixed on a prize that few others can see.

Be one of those.”⁸

“Do we truly recognize the season we are in? Are we fully aware of the historical magnitude of what is taking place? There is a sovereign work of the Spirit that has been preparing us for these days, long before we were even born. There is a supernatural element at work that is far beyond our human comprehension, and the Holy Spirit has been preparing us for some major upgrades.

There is a oneness of the Spirit that is emerging in recent years that has come as a result of being pressed. The troubles and pressures that many have experienced, have served as tools to crush our flesh and draw out the life-giving force of the spirit. It is a holy exchange that is totally supernatural and preparing us for the glory to come...

Because of the coming outpouring of His Spirit upon the earth, He is inviting us to make this exchange of our flesh for His Spirit. It is necessary for us to get out of our “natural” way of thinking and make way for the supernatural. As we get into His presence and turn our hearts towards Him, He comes and makes a trade. Our heart for His. Our thoughts for His. Our desires for His. Our faith for His. Our wildest dreams for His. It's an incredible exchange that can redeem anything and transform everything.

The good news is, God has already been doing this within the body of Christ, right in the midst of enemy warfare. A oneness of heart and mind is emerging as we are being forced to surrender our control and embrace the Spirit's directives concerning our future. Even as the enemy presses in, a unity of the Spirit is forming from all the chaos and is preparing the way for the epic changes to come.

A Kingdom exchange of biblical proportions is taking place and displacing the forces that seek to shut us down. The atmosphere is changing. Our collective faith and hope in the Spirit is squeezing out our enemies, and the atmosphere of heaven is permeating the earth.

Do not underestimate this exchange. It is opening up portals to the supernatural and doorways to destiny. Where devils are trying to divide us, the Spirit is uniting us. And nothing can stop a people who are one.”⁹

(★ Extract from a prophetic article published on 22-8-2022)

“Rewards are coming to the faithful. Extreme favor and supernatural expressions of heaven are about to manifest through those deemed least likely. Treasures from the deep are about to flow through those who have simply been obedient and steadfast in faith. No longer will your life be determined by religious or political spirits telling you how to win favor or gain recognition. No longer will you use formulas and liturgies to earn your way to spiritual enlightenment or get a seat up front. The charlatans who have sold the Church a false gospel are going to be shocked and humiliated when their cover is blown, for Purity and Humility are about to be exalted above Prestige and Fame.

Holy Spirit is about to pour Himself out upon those who have lived righteously. Done the right thing. When no one was watching. Gone unnoticed and tossed to the side. Consistently obeyed and trusted Him above all else.

The first shall become last. The last shall become first. The weak shall become strong. Those thought foolish will become the leaders of those once thought wise. Those who have little in the world's eyes are about to be the richest of all. He is preparing His weaker vessels to be those vessels of His greatest glory.

Things are about to be turned inside out and upside down. It is the time of Kingdom exchange. That which has been of the flesh is being exchanged for realities unseen. It is a supernatural work that cannot be earned

– only received. Cannot be taught – only accepted. The Grace to come will not trend as a fad or woo you to apathy. It will be a manifestation of glory. A manifestation of His presence to those who have simply trusted. Obeyed. Remained faithful and true.

Turn from the religious voices that treat you as slaves and listen for the Voice who whispers your name. No longer will you work for a master that robs you blind. The Father of the House is coming and rewards the heart that is His.

Stop and listen. Let His glory hover. He is right at your head. Lean towards His heart – and the rest will follow. Stay low and embrace that which you cannot comprehend for faith is born of things unseen. The darkness only purifies His vessels for the Light to come. Keep your lamps burning and go deep in Love.

The Upside-Down Kingdom is at hand.”¹⁰

“To those I have called to go to Pharaoh in this hour, be ready. To those I have called to go slay Jezebel, be ready. And to those I have called to tear down the attributes of Baal, be ready and those who I have called to fight the ancients of ancients, be ready. And **my remnant** be ready, for you will be established in this hour and will know your full strength and authority I have given you. The time for you to arise is here.”¹⁴

Ann Ballard

(★ Extract from an article published on 4-8-2022)

“The times we are living in can be so divisive if we aren't careful to guard our hearts. Everywhere we look, it feels like the differences between us are being highlighted, broadcast and even capitalized. The enemy is doing his best to divide, alienate and separate us from one another.

God is moving powerfully to connect people's hearts and to strengthen connections. Where we are going, it will be necessary to stand strong together, trusting and relying on one another. This is a season of preparation and deepening relationships. With so much going virtual, and now church being as "easy" as turning on your computer, meeting people and actually connecting can be more challenging.

Something powerful happens when we are physically in the presence of one another. Don't forsake gathering with fellow Believers when you have an opportunity. Relationships are being strengthened and going deeper to add momentum and synergy within those relationships...

God is bringing people together to strengthen the Body. Some acquaintances will become close friends. Friends will become spouses. Good friends will become business partners. And some that are not aligned or solidly connected in your life will fall away to make room for strategic, timely relationships.

If you have been hungry for community, relationships and even finding your "tribe", this word is for you. It is also for those who have felt like they've had a hard time connecting with people.

*If this word resonates with you, be brave and go past your comfort zone. Growth happens there! Meet new people, and when you have an opportunity to physically gather, say "yes!" God is bringing those that you need into your orbit. Take a step of faith and watch what He does!"*¹⁵

"I've said this before but the Lord is saying, "Tell them again and again and don't stop, for My people need to hear it again and again before they'll truly believe it!" ...

*"I have been equipping the Body of Christ for the approaching season", says the Lord. "The time has come for My people to start walking the walk as well as they have previously talked the talk! I am bringing such a move to the church as will cause it to be more like the first church – **for that was My original design.**"*

"No longer will I tolerate church businesses", says the Lord, "My church, My true church, will become the church I designed My Bride to be. She will have compassion, hospitality, generosity, and love for all people as her banners. Her people will not go without neither shall those in her 'parish boundaries', or sphere of influence." ...

*"I have birthed a 'new' church", says the Lord, "A **remnant** church that reflects My love for people more than it reflects its love for the world. I am preparing My Bride to be the church I designed her to be. All, all, all the gifts of My Spirit will be manifest in her as she carries the revival I am bringing to the world. And although much of the world, and much of the old church will reject her and Me, even so, much of the world will welcome her and embrace Me!" says the Lord Almighty."*¹⁶

"Transitional Leadership

Before God reveals a thing that becomes widespread He releases a new breed of transitional leaders to illuminate and lead the way.

These transitional leaders have been trained in the secret place and tested for the public space.

They are wired to go against the status quo.

These transitional leaders can have the following characteristics:

1-They see the Presence of GOD as the only air they can breathe. They can not breathe in the stench of Ichabod¹⁷.

2-They are not present for quantity but for all who the Lord will call to Himself.

3-They are sent to test and teach the body how to endure. They are either hated or loved.

4-They are fiercely loyal to the One that sent them.

5-They are a bridge as their life embodies a message of crossing over to the other side.

6-They stand as an Intercessor between the opposition of the unseen and the promise of the other side.

7-They are highly misunderstood as they are sent to take the people where they have never been.

8-They are often the most resisted by the enemy as their contents carry breakthrough for those that they have been sent to.

9-They know the stakes are high and their face is set like flint towards the upward call.

10-They are not looking for affirmation from man but a well done good and faithful servant from the accomplished orders.

¹⁷ – MEANING: "The Glory has departed from Israel" (INFERENCE: The church where the glory of the Lord is not.)

11-They are sent to a people and their lives are usually turned upside down. Welcome to the proximity of a transitional kingdom leader.

12-They are looking for those that have a yes in their heart and have the ability to help others cross over and press forward into greater kingdom expression.

Transition can feel like a prison break for many as to move forward many will have to come out from certain mindsets, traditions and ideologies. Transitional leaders are built forged tough.

Transitional leaders are sent to forge those they are called to and walk with them into the furnace of affliction where they are loosed into destiny.

Here you'll meet the Fourth Man in the Fire and the God of the Crossover.

If you're in a transitional moment then God has a transitional vessel formed to get you across.

Right time and right place." ¹⁸

This videoed prophetic message is about what Father is doing with us now and how we are to relate to him. It contains scattered information about the glory and what the *ekklesia* will be involved in during this time of the Kingdom on Earth.

NOTE: The message is designed for those in the church system, so it is heavy with biblical jargon.
