

# No Need To Get Stuck In Indecision

I have spoken endlessly about the need to hear with our spirit so that we get heavenly wisdom, knowledge, understanding and discernment. These are vital for us to navigate life in the world, as well as conducting our lives in the Kingdom. All truth resides with the Trinity, so logic demands that we connect with them at all times, especially when we need to make decisions.

**REMEMBER** Every decision we make is important, however small, because they all impact our lives.

Here's our King's reminder to get his input when we make decisions:

*“When you are conflicted and do not know what the best choice is, ask me for wisdom. I never fail to give you direction and show you the way without equivocation. There is no need to get stuck in a place of indecision. **Be still and wait for the answer,**” says the Lord.”<sup>1</sup>*

Did you notice, that waiting for him to answer is just as important as seeking his input.
