

Nothing Happens Without Human Agreement

I haven't directly addressed this topic in that past, so it's here that I want to lay it out for all to read.

~~~~~

For a quite some time, I've known things that are in my spirit and my heart, that Father has deposited there. I don't know how some of them came to be there, but I know he's taught them to me. One of the important ones I know Father talked to me about is that human agreement with the spirit realm is required for the spiritual to impact the natural.

Regarding my personal requirement to give ascent, Father said to me:

*"Remember, everything I do for you and with you requires your consent. I don't work outside of your personal commitment and desire to partner with me."*<sup>1</sup>

Regarding our nation, Father has made these statements to us, but there were many, many more:

*"In this new era of the Kingdom, [and] in this season, where I'm wanting to do fantastic things on the face of the Earth, things that will astound the general public, the on-lookers, I need my people to align themselves, heart, mind, attitudes, all those must align with me, so that I can achieve my purposes in the quickest amount of time."*<sup>2</sup>

*"Remember, I work through you. You're not just my ambassadors, representing me on the face of the Earth, you are my conduit, you are my loudspeakers, you are my representatives, so that what I desire to happen is happening, and should happen, through you. You must get away from the idea that I work like a puppeteer in the background. No, I use my people, because that's why you were created, to work with me in the management of the natural realm. You must get away from the idea that the angels do all the work, while you sit around and allow it to happen. No, that's not the way it is. In fact, that's laziness."*<sup>3</sup>

*"All I'm wanting is compliance. I want my sons to align with me by complying with my word to them... Cast off your own plans, purposes and set ways, and draw close to me in love and commitment. Commit yourself to helping me achieve the plans that are in place for your future as a nation. Yes, as a nation. Forget about yourself for a change and begin to think nationally. Get the 'big picture' that I have and do your part in partnership with me."*<sup>4</sup>

*"This is a time of alignment between Heaven and Earth because my sons are aligning with me. That means I can release what I need to release, to bring about their manifestation in power and authority, to see change on the face of the Earth. To be part of the process of bringing about The Restoration of All Things, in the geosphere, biosphere, hydrosphere and atmosphere, and, the entire cosmos, this is not a simple task. It requires a lot of co-ordination from my sons to align with me, because without their alignment I cannot achieve everything I want to achieve in the period of time that I have planned."*<sup>5</sup>

*"Open your mouth and I will fill it. Your speech will activate My Kingdom, My will. From the abundance of your heart, your mouth speaks, and you will see the fruit of your mouth. Purify your heart because the heart and the mouth connection is paramount in this decade...*

*You are commissioned to take back the high places. Therefore, you are to position yourselves at the*

gate of the 'right time', or the gate of the 'critical time', or the gate of the 'ripeness of time'. You are in the Kairos time, a time that will have many opportunities for action. So, position yourself well. Also, I am telling you that you are the gates, where many who find these gates will find light and life. Because you are the gates leading into the Light, Life and Truth, the question I want to put before you is, "How do you help My people to find the way to the gates?"<sup>6</sup>

I've talked about how our agreement is necessary for Heaven to do things on Earth many times, but having found a concise statement by another person I will use it to confirm what I personally know.

*The following quote is a transcript<sup>7</sup> of a statement by Robin Bullock in an interview with Steve Schultz during 'Intelligence Briefing' episode 35, a forum on ElijahStreams<sup>8</sup>.*

**FOR YOUR DISCERNMENT:** The information from Robin Bullock on the necessity for human agreement is 'spot-on'. So is the information on CERN at the end of the interview. The information about the calendar of 'Sum the Years' in the middle, has not been independently given to us, so I can't verify it. I leave it to your discernment. If it is important Father will tell us about it himself, otherwise it is a distraction from our sonship, just like Christian Zionism.

*"Let me go ahead and say something here and I'm just going to just throw this out here. You see, nothing is done in this Earth without the permission of a man. Nothing. Nothing can be done spiritually in this Earth without the permission of a man. A man was given the Earth. The bible says that he gave the Earth to the children of men. And so, without the authority of a man inviting things in... That's why, when presidents come to office, they can open doors to wickedness that we've never seen before and it allows spirits into this nation that we've never even seen before. And, what a lot of people don't know, every time a president is inaugurated, unbeknowing to the president, or maybe knowing to some, the order of the Masonic, they will behind the scenes, raise the spirit of Osiris<sup>9</sup> from the underworld to embody the American president. They do this every inauguration. So, there's always a collision that happens and so the right people have to be in power in order to invite the right spirits into this Earth, and without it, it can never happen...*

*There has to be permission of men in order for demonic spirits to have any authority in this Earth. Men don't realize it, but their birth certificate gives them authority over devils. The demons don't have a birth certificate, and you have to have this Earth suit to have authority in this Earth. And if you don't, when you lose the Earth suit, you have to leave the Earth, because it's the only thing where you have authority. And so, they fight for power. See the political realm is where spirits fight because it's the the realm that governs the affairs of men. And whoever has authority in that realm can govern the lives of men and women. So they fight there, they fight for that realm...*

*Satan knows that he's dealing with this and so men have to give permission for a spirit to come into the Earth. It's just like, God can't have your life until you give him permission to have your life. He can't do it. He has to be invited in."<sup>10</sup>*
