

Oneness Brings Clarity

Oneness is not just about being in relationship, everything that flows out of our intimate relationship with the Trinity is magnified in oneness. This is why the Gifts of The Spirit will be left behind in importance as sons experience what Jesus of Nazareth experienced in his life.

Oneness sees an exchange of our authority for Father's authority and the ability to see things more clearly than ever before. This is where we're meant to live and operate.

Here's how Father put it to Kriston Couchey:

"Father spoke to me, "Son, you received the revelation of oneness with Me to prepare you to do my will when the trumpet sounds. You have begun to embrace oneness with Me as Christ is IN you. Christ in you also teaches you to abide IN Me. My abiding in you changes your nature into Mine. But when you abide in Me there is an exchange of your authority for Mine. To truly become one with Me, your nature must first be changed, enabling you to receive a change of authority. Those who are one with Me will rule and reign with Me.

*Oneness with Me is like the wings of an eagle. One wing is 'Me abiding in you', and the other is 'you abiding In Me'. I am in you, and you are in me. This happens when you choose to dwell by faith in the place in Me that I have prepared for you from before the foundation of the world. **As I am in you and you are in Me, you soar like an eagle caught up in the heavenly up-draft of my Spirit. This 'oneness' will enable you to soar above the limitations, impossibilities and circumstances of life.***

*Everything changes as you are caught up in a place of vision far above all principalities and powers that blind and bind mankind. **It is time for my eagles to take their places In Me and fly higher and see more clearly than they have ever seen before.**"*¹
