- ★ **“‘The Greens in more expensive clothes’: The Teals are a study in hypocrisy, from their beachfront property portfolios to their renewable energy contradictions”**
“It’s starting to look like the Teal MPs don’t actually believe in “the science” of climate change and think the electorate is simply gullible, writes Rocco Loiacono.”

- **“Nigel Farage looks like the future of right-wing politics”**
“Nigel Farage ought to terrify the Tories. He has terrified them many times over the past decades. But until now, he hasn’t had the force of the US president, the richest man in the world, and the global online right behind him.”
