

Preparing for What's Ahead

Our King is preparing us for what's coming.¹ That's why we've been charged with recording what he says and disseminating it to those we know.² I'm also instructed to distribute the messages around the nation on my website.³

He never leaves us in the dark about what he's doing – he's a perfect father. All we have to do is focus on what we're personally doing together with him, and allow him to inform us through his Spirit-to-spirit communication. Once we receive what he says, our responsibility is to share it with our community so we can 'pool' together what we all know. It's then that we can have a better idea of his big picture.

Others are receiving the same instructions to prepare and are disseminating it around the world. For example, here's what Marsha Burns has received in the past week or so:

“It is time to tie up loose ends in your life and reset. Your spirit and soul need to be clear in preparation for the next phase. Set yourself to be the best version of yourself you can be. What was or has been will not be destroyed, but will be put safely on the proverbial shelf for you to revisit any time you want to. Do not be afraid to let go.”⁴

“Issues that have long been in the works will begin to come to a resolution and conclusion. Breathe a sigh of relief as you reflect on what it took to get here. At the same time ready yourself for the next leg of your journey. You will have to make important decisions, but always remember that you can ask for wisdom when you are in a quandary. I will show you the way.”⁵

“Hold your plans loosely. It is okay to have an outline, but make room for Me to perfect those things that concern you. I will lead the way if you will allow it. Or, you can stubbornly cling to your desires and ideas. Just remember that you cannot predict how things will work out. Be flexible.”⁶

“Even though you are under My protection and guidance, there are still difficulties of the flesh and world that you have to rise above and overcome. But, you can do that with ease when you confidently depend on Me to bring you through. You can rely on Me.”⁷

It's time for each of us to take what Father has released about the near future and begin to prepare for it. He hasn't told us what he has said, for no reason.

Laurence
