

This document records prophetic messages, words, downloads, etc. which have been received this month by our Community members. They are what our King has released to us so we are aware of what's going on in the world around us. The information is pooled here to reveal the bigger picture. Father approved of this strategy:

*"It's right and good that you've organised your brothers and sisters to send you for collection, what I tell them about what's going on around you [all]. This is essential. I don't want you to be unaware or 'caught out' by the machinations of those in control. I will always let my people know what's going on. That's what a good father does."*¹

June 2022

1. **DROPPED INTO THE SPIRIT:** "The Holy Spirit said that we are heading into a big storm. I asked him a few times about it, and I got the same answer." (Email received 22-5-2022)
2. **PROPHETIC MESSAGE:** In response to the question, "Lord, you've been releasing worldwide, that we're on the cusp of something wonderful, something unexpected. What is it that you want to tell us about this, so that we're prepared?" the following snippets of what's going on were in his message:

"I will see many of my plans come to fruition in the days ahead and the years ahead. I have at last got my people moving in the right direction, listening to me, working with me, and partnering with me. That's what I wanted all along...

They will see wonderful things happening...

...so that the glory I want to release, the wonders I want to release, the great move of my Spirit that I want to release, can take place...

Prepare yourself for a move I'm going to do worldwide. It will start in places, here and there, but it will spread...

This is part of the move towards The Restoration of All Things. If you haven't got your mind around that, you need to, because that's where I'm headed. I want to reverse the effects of The Fall, and bring the whole of humanity back to where they were when I created them. This will be a slow process, a very slow process, because of resistance. But this is where I'm taking you. I need you to see that. I need you to align with that. I need that to be a priority in your whole being."² (Received 22-6-222)
3. **DREAM UNDERSTANDING:** Those who are pregnant with the Kingdom and Father's plans for restoration will be released into the world to impact it and become subject to the dangers of the world system. The King, however, will be their protection. (Dream received in November 2005; email received this month)

NOTE: All messages have been sent to me and I have vetted them. I have selected ones of importance and either, published them above as I received them, or, I've produced a modified version which is designed to provide better accuracy and clarity.
