

This document records prophetic messages, words, downloads, etc. which have been received this month by our Community members. They are what our King has released to us so we are aware of what's going on in the world around us. The information is pooled here to reveal the bigger picture.

Father approved of this strategy: "It's right and good that you've organised your brothers and sisters to send you for collection, what I tell them about what's going on around you [all]. This is essential. I don't want you to be unaware or 'caught out' by the machinations of those in control. I will always let my people know what's going on. That's what a good father does." ¹

March 2022

1. **PROPHETIC JOURNAL ENTRY:** "This is a time of much turmoil in the world. It's important that it is as it is, because I'm shaking every system and exposing what's there for all to see. You remember, I showed you that in a dream?"² (Received March 2022)
2. **DREAM UNDERSTANDING:** (*The one Father mentioned in the above quote*) – The Trinity is shaking everything that is man-made and everything the enemy has been responsible for setting up or modifying. Things (including persons, organisations, systems, etc.) that look righteous will be rattled to see what 'falls out' so what's hidden can be seen. Some things will be rolled over to see the underside so that the unrighteous underbelly³ is exposed for all to see. This shaking process is ongoing and will expose unrighteousness and evil, sometimes through drastic circumstances, while other times it will be a gentle exposure. Nothing and no one is immune to this process.⁴ (Received January 2021)
3. **DREAM UNDERSTANDING:** It's a time of expansion. It's a time of glory being revealed and attention being drawn to what Father is doing. It's a time of increasing clarity as we see and hear more clearly. The bells of warning and proclamation will ring. Be in position to hear them and respond. 'Glass ceilings' of limitation and domination are shifting. (Received March 2022)

NOTE: Messages have been sent to me and I have vetted them. I have selected ones of importance and either, published them above just as I received them, or I've produced a modified version which is designed to produce better accuracy and clarity.

CHALLENGES: Any item within this document is available for readers to challenge. Please email me your critique to this address:
