

This document records prophetic messages, words, downloads, etc. which have been received this month by our Community members. They are what our King has released to us so we are aware of what's going on in the world around us. The information is pooled here to reveal the bigger picture. Father has approved of this strategy:

"It's right and good that you've organised your brothers and sisters to send you for collection, what I tell them about what's going on around you [all]. This is essential. I don't want you to be unaware or 'caught out' by the machinations of those in control. I will always let my people know what's going on. That's what a good father does."¹

1. **PROPHETIC MESSAGE:** In response to the question, “*You told us many years ago that revival would not be what we expect.² What is your update on this topic for your people in Australia?*” the following extract of what's going on were in his message:

“Now, in regard to revival, I’m not looking to revive something that was put together by human beings. I’m not looking to revive religion, in any way, shape or form. In fact, I’m not into revival. My main aim has always been restoration, to restore things back to the way they were. That’s precisely the reason I sent my Son, because I want my sons, my children who were lost, to return to me and to be able to operate as sons, and to relate to me as sons. That’s what the Kingdom is all about – I have brought my sons back into my family, as the parable explains. That was a process of restoration, restoring sons, as Adam was before The Fall (as you call it).

What I’m looking to do in Australia and around the world, is to restore the natural realm – every component of it – so that it is as it was at Creation. This is where I’m heading. This is my main plan. You call it The Restoration of All Things, and that is a good description. That’s what you should be focusing on, not church revival, because church revival, as you’ve seen from the past, over the centuries, degenerates back into religion...

Take your mind off church revival. Focus on The Restoration of All Things. That’s where your allegiance and alignment must be. In regard to that, I will be releasing my Spirit in greater measure over time so that more and more of my people become strong in the things of the Spirit. More and more will come into relationship with us so that we work in partnership. More and more of the people of Australia will be flowing in the Spirit and aligning with us so that you’ll see a change in the spiritual atmosphere of your nation. This will work towards The Restoration of All Things, because those who come into this move that I am planning, and have been working on, will be working with us. Their focus will be on us and we’ll work together in teamwork on the plans of impacting the spirit realm and the natural realm in Australia. That will bring The Restoration of All Things closer to fulfilment.

Take your mind off wanting to see more people at your meetings in your church buildings. This [planned move] is about sons coming back into family. This is about the Kingdom of Heaven on Earth impacting Australia, for Heaven’s purposes, for my purposes, not for yours. It will be a wonderful time. There will be opposition, but the fruit will be fantastic...

Think Kingdom, not religion. Think restoration, not revival, and you’ll be part of the impetus to seeing a spiritual move in your nation.”³ (Received by me on 9-11-2022)

2. PROPHETIC MESSAGE: In response to the question, “*Some teach that our imagination is evil.⁴ What is your mind on that, so your people in Australia can align with you?*” the following extract of what’s going on were in his message:

“As time moves on and we make changes in what we are doing on planet Earth, we’ll need your imagination to be active. Because, if you’re not imagining what we are talking to you about, you’ll not be able to see it in ‘your mind’s eye’, and you’ll drift [back]⁵ into the past to things that you know. As we speak to you of things, we want you to meditate on those, and part of that meditation will be imagining them.

Your imagination is powerful when it’s under our oversight, and when your spirit is using it. We’ll teach you how to use your imagination so it’s being used appropriately, and it’s actually doing what we created it to do.

As many around the world have experienced, there’s so much more to life in the Kingdom, life as a son, than just living on Earth, going about your daily business. Sonship also includes being involved with us in The Restoration of All Things and in the management of the cosmos. This is what you were created for – managing. Unless you can use your imagination, and see yourself managing your own personal kingdom, and managing what we have for you to do in your nation and elsewhere, you won’t be encouraged to align with us and work with us so that it comes about.

Your imagination will ‘push’ you forward in the things we talk to you about, and the things we tell you we have planned for you. You will desire those things because you’ll be able to see them in your ‘mind’s eye’, and you’ll want to move forward with us...

Don’t destroy your imagination and not use it. Many of the inspirations that we ‘drop’ into you, for you to do, come through your imagination. You may not be aware of that, but you can be walking along and suddenly imagine something. As you assess that, you may very well find that it’s something we’ve placed inside you, and it’s something that we’re planning for you to do.

So, as you work with us and in your alignment with us, align your imagination as well as your mind, your soul, your body, your thoughts and your heart. That’s because your imagination is part of you that we created, and we want to use your imagination. That may not make much sense at the moment, but as you submit your imagination to us, and allow us to teach you personally, Spirit-to-spirit, and as you experience using your imagination with us, you’ll come to an ‘ah-ha’ moment, and you’ll realize, “Wow. I haven’t been using my imagination as it was created to be, and this is excellent.”⁶ (Received 9-11-2022)
