

This document records prophetic messages, words, downloads, etc. which have been received this month by our Community members. They are what our King has released to us so we are aware of what's going on in the world around us. The information is pooled here to reveal the bigger picture. Father has approved of this strategy:

*"It's right and good that you've organised your brothers and sisters to send you for collection, what I tell them about what's going on around you [all]. This is essential. I don't want you to be unaware or 'caught out' by the machinations of those in control. I will always let my people know what's going on. That's what a good father does."*¹

1. **DROPPED INTO THE SPIRIT:** "Fear is illogical"² (Received by me circa. August 2022)
2. **PROPHETIC MESSAGE:** In response to the question, "What do you want us to know about the New Ekklesia you're raising up?" the following message was received:

"The [new ekklesia³]⁴ are the ones I'm raising for the future.

These are the ones who will be in community as we are in community.

These are the ones who will function out of relationship. They will see great things take place on the face of the Earth because we are able to move through them, rather than to be stifled by their mindsets and their theologies.

These are those who have come to us and have totally surrendered themselves. They have said to us, "Have your way. We only want to do what you want to do. We only want to see your work accomplished on the Earth, not our own." And we will [do what they ask].

These are those who have abandoned all hope of worldly domination, worldly promotion and worldly success. They have relied on us and asked us to raise them up, and to bring the success that we want to bring, that we desire and have planned to bring.

These are those who have turned their back on religion, have turned their back on control, on hierarchies of clergy, and have said, "You are The Truth. We listen to you. We follow you. Teach us. Train us. Reprogram us", and we are doing just that.

These are those who enjoy our presence. They have a heart for oneness [with us] through intimacy, and we are drawing them to ourselves. In that intimacy and oneness, we are able to achieve far greater things than we have been able to do in the past.

These are those who are moving towards being of one heart and mind with us, because they align with us and their desires have become our desires. They have not abandoned their responsibilities, they have not withdrawn themselves from life, and out of the society in which they live. But they know that they are citizens of a different kingdom, and they carry that kingdom – our Kingdom – wherever they go, and they impact those who they come in contact with.

These are those who we are drawing together as a community. A community where they are of one heart and mind. A community where there is honour, there is no prestige, there is unity, there is oneness. There, they defer to each other, where they support each other, and their aim is always to raise the others up, not to promote themselves.

4 – SQUARE BRACKETS: Added so the sentence contains the sense in which it was received. Likewise all other instances. [LDS]

These are those who will come together in [genuine] community, and will draw everyone around them who has a heart for me. They will draw them in, because they will see that the relationships and the community that has been built with these special ones, is what they've been looking for. And the word will spread, and our Kingdom will expand at the grass roots level, not through evangelisation, but through relationship, through contacts, and through the release of our love and care.

Keep your eyes open. These new ekklesia will be rising up and will become obvious, because at the moment they are hidden. They will be released when our time is right. Search them out, connect with them, and become part of the work that we are doing, not the work people are doing.

The time ahead is exciting. Great things have been planned by us for our people, but it requires alignment and relationship with us, and to be of one heart and mind with us. Join us. Commit yourself, and see things move as you've never seen them move before.”⁵ (Received by me on 17-10-2022)

NOTE: All messages have been sent to me and I have vetted them. I have selected ones of importance and either, published them above as I received them, or, I've produced a modified version which is designed to provide better accuracy and clarity.
