

# REVELATION: We're Going to Fix the Mess We Made

**NOTE:** This is a very important concept to get hold of. I received the download of this revelation on the 29<sup>th</sup> June 2022. I wrote it down and waited for more understanding from Father to fill in any gaps, so the readers of it would fully comprehend it's importance.

**IMPORTANT:** *This revelation relates to the concept that the Cross and Resurrection rolled back the effects of The Fall.<sup>1</sup> As a consequence, all we have to do is appropriate what has been regained and learn to live in those conditions. If we don't have the paradigm shift for that the doorway to that life is open right now, and won't open after the expected return of the King, we won't enter in. This new revelation builds on that and gives the background to our key role in The Restoration of All Things.*

**THE REVELATION: A man was required to pay the price for giving away our birthright, property and blessing. Men will do the rest of the job in partnership with Heaven. It's our job as sons, because of our deity,<sup>2</sup> that we recover what we lost. That's rulership.**

## Explanation

A man lost the Kingdom, handing it inadvertently to Satan. Therefore, it was necessary for a man to get it back. That process was required because of our role as kings of the Earth – that's what we were created to be. In other words, someone needed to get back our kingship.

As Messiah, the man Jesus (Jesus of Nazareth) paid the price for Adam's abdication of humanity's role as planet-managers and kings of Earth, which had automatically passed on to Satan. Jesus redeemed us with the price of his death and resurrection, bringing us back into Father's family as fully restored sons. With that status, we're responsible to work at bringing the natural realm back unto its original state of perfection. That will happen as we mature in our sonship and become the "sons of God" that the natural realm can identify. Nothing much will happen in that regard, until sons reach the required level of maturity, which is the level that Jesus of Nazareth demonstrated.
