

# Real Life Kingdom Living Now

by Ron McGatlin

*[OpenHeaven.com Digest February 11, 2022]*

Once upon a time, in a place not so very far away, there was a mighty king who had achieved a great victory with the people of his Kingdom.

Therefore, the king wanted to greatly bless the people of the Kingdom. He decided to declare a great feast and invited all the notables of the Kingdom to a special banquet. He had his best cooks under the direction of his only son to prepare the finest meal with all the favorite foods of the people.

At the banquet table the king noticed less excitement about the wonderful banquet with all their favorite foods than he had expected. As he moved among the people, he was shocked to hear the people talking excitedly about another banquet that was believed to be scheduled for an undetermined future date. The people were barely eating and not really enjoying the great banquet set before them at that time while they excitedly talked about how great the future feast would be whenever it came to pass.

Many of the invited notable guest did not even show up for the great banquet because they were too busy seeking to provide provisions for themselves while waiting for the great future banquet to come to pass.

To fill the banquet hall with more appreciative guest the king sent his faithful servants out to invite non notables from among the ordinary people to fill the seats and partake of the greatest banquet ever in his Kingdom.

## **TODAY IN THE REAL WORLD**

Today, in the real world, most Christian believers have been missing the awesome provisions of God for His people and for the world today, while excitedly looking forward to another event either someday in this life or at the end of this life in an afterlife in heaven.

Meanwhile they strive in hardships to make it through to the time of the great future provisions of God that they believe are coming someday. They struggle in hope to be ready to receive the great blessing of life from the King when it comes someday. They always have hope that the day could be very soon.

## **AWAKENING TO THE KING'S PROVISIONS NOW**

Literally the whole world has waited for God's people to fully partake of the provisions of life and works of King Jesus and bring them forth to the world.<sup>1</sup>

In the recent past, darkness has advanced with glee usurping and taking over all the spheres of life left open by the failure of God's people to partake of the all-loving, all-powerful and all-wise provisions of Father God in Christ Jesus our Lord and King.

However, now in this time, an awakened people are arising with open hearts and open arms to receive God's Kingdom provisions and then to release the full reality of the awesome provisions of God into the world.

Shock and awe will be upon the faces of the people of the world as the powerful loving works of God are released on Earth by the pure hearted people of God.

Even those who have sat in darkness are now, or soon will be, seeing the pure holy light of the endless life of the love, power and wisdom of Almighty God in His glory.<sup>2</sup>

The joy of the Lord in stunning victories will awaken sleeping believers and spiritually dead unbelievers to the light and life of the bountiful provisions of God prepared for those who love Him.<sup>3</sup>

People of the world are falling in love with God and will never be the same again.

The Spirit King of the world will firmly rest upon the Body of Christ, carrying out the full reality of His plan and purpose for this world to be as it is in heaven.

All of the kingdoms of this world will be delivered back to Father God, and so shall we ever be with the Lord.

## **FREEDOM BEGINS IN THE HEART**

Freedom is not the lack of governance or responsibilities.

Freedom is perfect alignment with the will and plan of Father God. Freedom is the state of being completely in love with God and thereby having our entire life in this world surrendered to His will and way.

In perfect alignment with God, the provisions of pure holy LOVE, POWER, and WISDOM of God lives and moves through our human spirit, soul and body in perfect peace and joy to fulfill the perfect will of God.

## **RIGHTEOUSNESS**

Righteousness is simply being in perfect alignment with God in Christ by the Holy Spirit. The Kingdom of God is righteousness, peace and joy by the LOVE of God in the HOLY SPIRIT.<sup>4</sup>

We can actually walk in the fullness of the awesome provisions of God when we truly believe the word of God. Our thoughts, our words and our actions will adjust to what we believe.

Our belief will adjust to what we hear and see in the Spirit and in the natural. We can change what we believe by what words, thoughts, images and visions that we choose to receive.<sup>5</sup>

## **DISCERNMENT**

True discernment is increased by focusing our attention on the Spirit rather than on natural understandings without God.

All lack of real discernment stems from lack of intimate connection with Spirit God. Training by education and experience from any source that is not of God, negatively impacts our discernment, our conscious, and subsequently our lives.

Our decisions and actions in life always follow what we believe. We cannot change our actions which become ingrained in us until we change our thoughts. We must first change what we see and hear, what we allow to be planted in us through our eyes and ears and all of our senses.<sup>6</sup>

All of us may need to change our focus of what we see and hear to that which is truly from God by the Holy Spirit. Especially children growing up need to experience God and His truth in what they hear and see to grow up with true discernment to live a godly life.

## **THE NOW COMING**

As Earthly human beings it is very natural for us to think of life in our Earthly bodies and all the physical things of natural life in this world as the true reality of life, as the most significant and important existence.

Our tendency is to see anything non visible to our natural limited sensory ability to be of some lesser significance or importance than our natural reality.

Plainly said it seems to us that unseen spirit things are less real than that which we sense in the natural.

For this reason, good Christian people have had difficulty grasping the word of God. Even the most educated theologians have missed major realities of Spirit truth through applying natural interpretation to the written word of Spirit truth.

Now in this season there is a coming forth of Spirit-to-Spirit communication between the Spirit of Christ in mankind by the Holy Spirit into our understanding. Truly, we can now have the mind of Christ.<sup>7</sup>

The cover or lid is being lifted to Spirit truth and reality that was once only seen from a natural or physical interpretation.

One now coming realization is that unseen Spirit is vastly more significant, more powerful and more existent than anything that can be seen by natural eyes.<sup>8</sup>

Some may say, "We have known that for some time". Yet, they do not honestly believe it in practical reality.

We may have a head knowledge of the reality that Spirit God with the Spirit Son of God created all that

5 – Philippians 4:8-9; Colossians 3:1-2

6 – Philippians 4:8-9; Proverbs 23:7

7 – 1 Corinthians 2:16

8 – Hebrews 11:3

can be seen. We may understand that in our intellectual reasoning. However, in the past we have not really understood or believed that Spirit Jesus (Son of God) was and is far greater than natural incarnate Jesus was when He was in His Earthly body on Earth. The Son of God limited himself to come to Earth in a human body.

We may wrestle with really believing that Spirit Jesus the Son of God is far more than the Jesus in a human body that limited himself to come to Earth as a man to redeem mankind and the world.

Again, the Spirit God and the Spirit Son of God are immeasurably many times more powerful, more wise, more knowing, more glorious, and more loving than any created natural thing in all of creation. The creator is always greater than the created.

## **THE NOW COMING REVEALED**

The great now coming is in reality the coming of the awakening in mankind that Spirit Christ Jesus is now in far greater power than when He was on Earth in His natural body. The great “coming” is the manifestation of Spirit Son and Spirit Father in the Holy Spirit now available to fully manifest in every person who truly believes.

## **BY FAITH**

All the works of God are now available and will be fully seen as the people of God awaken and stop looking for God to bodily come back to Earth someday, and believe that He is alive and fully available to change this world to “as it is in heaven”, IN HIS BODY NOW ON EARTH.

Spirit Father God, in Spirit Son of God, as Holy Spirit God, now fully abiding in the Body and Bride of Christ sons and daughters on Earth is the now coming of God with and within the manifest sons of God knit together as one with God and with one another.<sup>9</sup>

God’s people who truly believe are now receiving the truth and throwing away all the past confusion to truly be the “temple of God” on Earth, the Body of Christ, the Bride of Christ is the coming forth generation on Earth.<sup>10</sup>

The feast is ready and banquet is set for those who receive the invitation come into the first fruits realm of the fullness of the Kingdom of God on Earth as it is in heaven.

The coming now is the beginning of the Great Harvest which is the people of God beginning to be fruitful and multiply taking dominion on Earth with the love, power and wisdom of Christ in us, the reality of the glory of God.

This is the great outpouring of the supernatural demonstration of the reality of God that fills the world with shock and awe that no one can deny. The release of the love and power of God through a people without any hindrances of the past life, which no longer exist in the new world order of on Earth as in heaven.
