

# “Reflection on Past Failures and Not Measuring Up Must Cease”

So, there you have it, again. Father has been telling us for a long time now, to stop living in the past.<sup>1</sup> He keeps reminding us to have no disappointments or regrets,<sup>2</sup> and to not take offence.<sup>3</sup> Again today, his message is more adamant, that these things must cease.

*“It is time for you to rise up out of the dead ashes of the past and make this day reflect hope and strength. **Your reflection on past failures and of not measuring up must end today.** You can do nothing to change what was or has been, but you can make every effort to be free from condemnation today. Turn your attention to Me, says the Lord, look to Me for direction. I will show you the way.”<sup>4</sup>*

He’s right – absolutely right. From my recent experience of being put through situations, over and over again, to train me not to submit to thinking about the past and mulling it over, his instruction today is vital for us to comply with. All those mental and emotional actions are negative and produce negativity in us that prevents us from experiencing the exuberance and greatness of life<sup>5</sup> in the Kingdom right now<sup>6</sup>.

Time we following his leadership and ceased those activities.

Remember, he’s always lovingly leading us into our destiny of living as sons of the Kingdom, in the here-&-now, not just in the Age to Come.
