

Remain in a Position of Integrity at All Times

As Father exposes in us attitudes, thoughts and plans which are not in alignment with his ones, we need to work with him to see them eliminated. That's best done through the Internal Kingdom¹ where the Spirit does the work from the inside-out. As we change, we'll operate more righteously² and we'll have closed more doors to the enemy so that we're kept safer.

Here's a recent message from Father on that:

*“Things will come to light that will require an adjustment in your thoughts and plans. Make these adjustments with the grace that I provide. My grace will keep you in a place of righteousness and safety as the new season unfolds before you. **You will not regret your position of integrity,**” says the Lord.*”³

In addition, Father says in his message above, that the changes we make to align with him give us more integrity. That word ‘integrity’ is full of meaning:

1. Steadfast adherence to a strict moral or ethical code. (Father's standards, of course, not religious ones)
2. The state of being unimpaired; soundness.
3. The quality or condition of being whole or undivided; completeness

Everything appears to be of benefit to us when we work with Father to allow him to continually change us so we exhibit more and more of his character.

Laurence
