

Some Essential Spiritual Insights

Here's confirmation from Pieter Kirstein today which reinforces what Father has been telling us:¹

"He said, "Remember that everything I say and do, every instruction I give, will flow and reverberate from the core of My nature. I am not impatient.

With kindness and gentleness I work awakening and submission into each of My children.

I am not moved to anger or easily provoked by man's rebelliousness or arrogance or fear. I don't think of what judgment or punishment I should apply to get you to see the light.

I am God Most High and I do not need to use intimidation tactics to drive you into obedience. You flowed out of the core of who I am which means that LOVE birthed you.

You are made to respond to LOVE.

I AM LOVE.

Anything outside of this is not of Me...

Be careful of throwing the term 'righteous anger' around and ascribing it to Me. The core of pride's nature is self-righteousness and pride is easily provoked to anger when it does not get what it wants. Pride throws judgments around in an effort to intimidate into submission."

"God told me that:

- He doesn't love us in the hope that we will change. He loves us because it's His nature to love.*
- Change is the natural reaction of being touched by the power of God's nature.*
- Salt doesn't have the intention of changing everything it touches. It just does because its salt.*

God says that there isn't one person in all of creation that can resist the true love nature of God. It's the darkness inside of broken people that holds their souls in bondage that prevents them from responding His love...

God says, "I am never disappointed by man's initial inability to receive My Love because I do not love with expectation.

I love because that is My nature. It is also the true nature of My children by default of being pulled out of Me.

Once My children learn to operate in their true natures, they will truly be the salt of the earth. Everything they touch will change."
