

Subconscious Patterns of Behaviour Need to be Dealt With

As we deal with the issues in our life that are preventing us from effectively representing the Kingdom here on Earth, we may overlook those that we can't identify. By 'issues' I mean behaviours, thoughts, attitudes and speech that aren't righteous.

REMEMBER: 'Righteous' really means what's right as far as Father is concerned in any instance of time.¹

Father has recently instructed us to consider our subconscious (i.e. our unconscious) behaviours, because we can easily neglect dealing with these:

““ Subconscious patterns of behavior will begin to surface so that you can deal with them consciously. There are things that make no rational sense that you can now face and correct. But, you must refuse to allow condemnation to be part of the process. Rise up and demonstrate your potential. I am with you to help you and give you guidance, ” says the Lord.”²

He'll point these subconscious ones out to us, in the same way that he does with me. They manifest in situations that I find myself in, and the Spirit then has me deal with them.

The simplest way to deal with these unconscious issues is to ask Father to show them to you. That is, give him permission to do it. Then he'll know you're serious about it and willing to make the changes where they're needed.

Laurence
