

# The Beginning of a New Spiritual Era?

Father has already advised us that we're in a new era of the Kingdom.<sup>1</sup> So, the announcement below that we're in a new spiritual era came as quite a surprise and demands our attention, as well as our investigation:

*"The bell has rung. Did you hear it? **It is the beginning of a new spiritual era.** Set your heart and mind to embrace all that has been prepared for you. Let go of the past and move by grace into this new season. Access the fresh anointing that is available to you to fulfill your purpose and destiny, says the Lord."*<sup>2</sup>

Sharon Kang has also announced prophetically that we're in a new spiritual era, but that was back in 2020.<sup>3</sup> Here's an extract:

*"At the same time in the spiritual realm, big things are also happening for **those whose hearts are truly aligned with His heart!**"*

*So, don't be tricked by what the physical eyes can see only. You have to know what is happening in the spiritual realm. Things happen in the spiritual realm first before they happen in the natural realm. Be alert to what is going on in the spiritual realm, and be careful not to allow yourself to be 'suppressed' by what the world tells you, or what the world news tells you; but be sensitive to God's Spirit. And you'll begin to see what God sees...*

*Because **only He can give you the true 'blueprints' in your life.** Only He can give you the exact 'job descriptions' and 'specific instructions' for your life. So, look nowhere else to what the people in the world are doing, but look to Him.*

*Come into alignment with the Lord your God. Come into His presence...He will guide you and teach you. He will show you exactly what to do. He will show you every step that you need to take.*

*As you **align with Him,** you'll discover your true identity in this new era."*<sup>4</sup>

Could this new spiritual era be to counteract the global spiritual New Age that is developing which will accelerate globalism?<sup>5</sup>

The solution is to find out from our King what this is all about.

One thing we've heard from him already about spiritual change is that for each of us to progress spiritually with it, we have to move forward with the change, and that's with him as our guide and support:

*"When you are in the throes of change draw near to Me," says the Lord. "Refuse the urge to hang on to the past or get stuck in redundant thinking. **Change presents opportunities to grow spiritually** and to depend on Me for wisdom, direction and strength. So, come! Seek to be refreshed and renewed in My presence."*<sup>6</sup>

We can't move into any new spiritual era without the trust that he's taking us there for his purposes and our best interests.

**IMPORTANT:** To determine the accuracy of this prophesied “new spiritual era”, I asked our King about it. His confirming message is HERE. The extract below represents the core of what’s spiritually going on in this new era:

*“This is the spirituality that requires you to **align with me**, very tightly<sup>7</sup>, like a hand in a glove. It’s not a showy thing that one talks about, that one brags about, or that one teaches<sup>8</sup> on. This is a spirituality of intimacy, where you draw so close to me that we become one<sup>9</sup>. This is my call: Become one with me. As I was one with Father when I was on the Earth<sup>10</sup>, that’s the prototype, the model for you to follow. I can’t tell you how important this is.”<sup>11</sup>*

**NOTE:** What he said in his message (in the extract above) confirms Sharon Kang’s commentary.<sup>12</sup>
