

The Clarion Call for Forerunners Today

In the past 10 years since I started Canberra Forerunners in 2012, I have rarely read messages that provided important direction to forerunners and pioneers. Today, however, I have come across one which not only does that, but actually describes our origin, our important function, how we were, and how we are today. I share this with you because the time is close for us to enter into the major Kingdom assignment we were called and set aside to do.

“From the tribe of Issachar, there were 200 leaders of the tribe with their relatives. All these men understood the signs of the times and knew the best course for Israel to take.”¹

The Bible is full of changes and transitions at every turn.

The tribe of Issachar had a strength or gift of knowing and understanding the times and seasons.

You may think some people have lost their ever-loving mind.

And you don't know who you should be listening to.

I get it. It can be scary and frustrating.

And lack of discernment and lack of knowledge can really create confusion and chaos.

So what do we do?

Personally, I think the most dangerous choice would be to choose to do nothing.

And no one can choose for you but yourself.

Staying the same and staying comfortable sounds great...

But that is no longer an option at this point.

Choose this day whom you will serve.

Choose this day which way you want to go.

Watch for the ones who are pioneering change.

Watch for the ones creating the future.

Find a tribe and help with the building.

Or simply support the ones doing the work.

I promise you, they have paid a great price.

And it has been hell for them.

Many of the leaders will now become servers and builders but not leading the way.

There are new leaders paving the way.

Nothing can stop it.

Many made their choices years ago.

The pioneers forged alone and in silence.

They are now finding one another.

They understand the language.

They understand the price.

They know when they find and connect to one of their own.

Energy does not lie.

The manifestations cannot lie.

1 – 1 Chronicles 12:32

*Rise up mighty ones.
The time is now.
Find your tribe.
Together we will build.
Together we will rise.
We have given our life for this cause.
The governors and the rulers of the new age.
The judge of what can go in and out of the city gates.
Come out of the hidden places.
Come out now.”²*

Father needs to tell us more about our future, but in the meantime, this message from a like-minded person, is an encouragement for us.
