

The Coming Awakening to Limitless Grace and Love

There is an awakening taking place where believers are beginning to agree with what Father has said about his love and grace being limitless.

For too long we've accepted the teaching that his grace is limited by our sinfulness and that our sin also limits his love for us. This has come about because of a number of beliefs:

1. Penal Substitutionary Atonement (PSA) – The belief that Jesus' sacrifice was required to appease Father's anger¹
2. Eternal Conscious Torment (ECT) – The belief in a eternal punishment in Hell²
3. Combining the Old Covenant (OC) with New Covenant (NC) theology – In reality, the OC has ended and we live completely in the NC.³

As more and more of us are challenged by Father to question our doctrines and then allow him to reteach us, the more of us will come out into the freedom of our sonship. That's because we'll agree with him that his love and grace are limitless.

If we ask Father to teach us about it, he'll say something like this, which he said to Mike Parsons:

*“Son, rest is truly being and knowing the inclusion and acceptance of **unfailing unconditional love and limitless grace.**”*⁴
