

# The Journey To Discovering The Truth

Having written and taught about our Kingdom journey over the past 5-10 years, I thought I'd direct my readers to a short teaching session from Mike Parsons about his journey. He's tracking the same as us, letting Father deprogram and reprogram him, as well as letting Father deconstruct and then reconstruct the foundation of his belief system.

He's also realised that we need to have a testimony of our interaction with the Trinity, the Kingdom and the spirit realm, which we can share with others, when they're ready for it. Like us, he knows that the Evangelical method of evangelism is not the one that sons are meant to use.

Have a listen to Mike sharing in one of his mentoring sessions:
