

The King is Coming: But Not How You Think

Sometime in the late 1980s, I was given a prophetic message that judgement was coming on church leaders for the way they have maltreated the people under their care. I was reading this passage in a Community meeting when the Spirit gave me the message to speak:

“Son of dust¹, prophesy against the shepherds, the leaders of Israel. Say to them, ‘The Lord God says to you: Woe to the shepherds who feed themselves instead of their flocks. Shouldn’t shepherds feed the sheep? You eat the best food and wear the finest clothes, but you let your flocks starve. You haven’t taken care of the weak, nor tended the sick, nor bound up the broken bones, nor gone looking for those who have wandered away and are lost. Instead, you have ruled them with force and cruelty. So they were scattered, without a shepherd. They have become a prey to every animal that comes along. My sheep wandered through the mountains and hills and over the face of the earth, and there was no one to search for them or care about them.

Therefore, O shepherds, hear the word of the Lord: ‘As I live, says the Lord God, you abandoned my flock, leaving them to be attacked and destroyed, and you were no real shepherds at all, for you didn’t search for them. You fed yourselves and let them starve; therefore, I am against the shepherds, and I will hold them responsible for what has happened to my flock. I will take away their right to feed the flock—and take away their right to eat. I will save my flock from being taken for their food.’”²

Although I was reading from the OT, the Spirit anointed me with a message for the present time in history, so I presented it, but did not record it. In essence the message said, pastors³, who see themselves as the top of church hierarchy, have not been shepherding the people like a sheep-herder who tenderly and carefully looks after his sheep. For the shepherd (I used to be one, as well as a goatherd), the only thing of concern is the safety, nutrition and health of the flock. At the time of receiving the message, that wasn’t (and isn’t) the way church pastors had been tending to their congregation. In general, they were (and are) more concerned with their own status, wealth and health, and the business’s⁴ wellbeing, and have neglected their duty to every member of their church group. At the time of receiving the message, our King said he would be judging them for their failure to represent him (the Great Shepherd).⁵

Nothing major has happened to shake up church leadership since then, in the worldwide phenomena of pastoring. So, as there has been increasing shaking going on in the religious system, it was very interesting to read what Kriston Couchey wrote on this pastor-judgement. For him, the knowledge came from download and from Father’s training. Here’s what he understands about it:

“Father is now coming in power to take back what is His, and those standing in the way will see His displeasure. He is saying to the apostles, prophets and leaders, who like Pharaoh have built their houses on the backs of His Children, "LET MY PEOPLE GO!"⁶

I tell you this in all sincerity and without bitterness, God has come down and we are going to see His vengeance for the sake of His sons. Not only has leadership taken advantage of men and instilled the fear of men and doctrines of pleasing and following men in people; many who know better are doing nothing about it...

There is coming a great diminishing of the positions of men in the church. All of this is simply because it is God putting the church back into HIS righteous order; not the order of hierarchy and title, but the order of Love for God's children. Father is elevating His own Shepherds in this hour, whom He has personally raised up and prepared in secret, ‘who will not fleece the sheep, but lay down their lives for them’.

This coming of Jesus Christ within many sons will reveal the divine mysteries and the wisdom of God to all creation. His manifest presence will take pre-eminence over creation as He sums up all things in Himself. As Adam tried to hide his shame from Father's presence in the garden, so in this day men will try to hide from His coming presence. Yet there will be no place to hide...

The Valley of Decision will be set before all the inhabitants of the earth. Many who believed they knew Him will realize they have in fact opposed His hand and will accept the invitation to repent. Great repentance will sweep His house as the peace of His presence heals and delivers His people into His joy.

Like the coming of Jesus Christ 2000 years ago, there will also be those who resist turning from man's ways and will expend their strength and wisdom to oppose Him. Like the Pharisees, some will believe they are doing good deeds by resisting His coming, yet all they will be doing is undermining and contesting the work of the Spirit on every front. This will only serve to purify the saints, strengthening their resolve and perseverance."

Yes, our King is coming in his people⁷ to do the restorative work he wants done. That's why he wants us to completely surrender to him so he can do it.

"I had a vision of Jesus presenting me with a key ring with three keys on it: one gold, one silver and one bronze (or dark/ancient-looking). He said, "Use these to go unlock the 'more.'" As I waited, I heard Him say, "I want to unlock more in you so I can unlock more FOR you, then unlock more through you!""

He'll create his new *ekklesia*⁸ based on family and homes,⁹ and use them to bring judgement to the church and to the world system, to reclaim the Earth,¹⁰ and to bring about The Restoration of All Things¹¹. It will be the light of Father's love that his love-fuelled remnant¹² sons will carry which will do this work, not them.¹³ This will be in the manner of Gideon's army's defeat of the Midianites, in that victory the selected, excellent soldiers did nothing, because God did all the fighting through the spirit realm.

This, of course, is 'over the top' for bible-believing Christians, but it's what Father is telling us. It's also where he's drawing those who are prepared to step out in faith and believe him.

UPDATE: Below is an extract of a hard prophetic message from our King about his judgement on the current church system and it's leaders.

WARNING: You may find this message too hard to take. However, the prophetic messages have been going out for years telling the saints to return to their King, with little effect. Like the messages from Jeremiah and Ezekiel, this one is hard because his people aren't listening and complying with his directives. Judgement has begun in Father's family.

"Why are you blindly following these corrupt leaders who seek glory from man and don't give glory to me? Why are you not using discernment? You have no discernment or spiritual senses because you are drunk from the enemies wine! For they plot and plan against you with their next money and influence scheme, all while making you a slave to them, their system, and their Old Religious Order! I the Lord

God came to set the captives free through RELATIONSHIP, not RELIGION, to free the oppressed and to give you your sovereignty back... You have turned these leaders into idols before me! You support their corruption and further their demonic plans, therefore you are complicit in their wickedness! REPENT!"

*"The System, the System, I the Lord God will crash the Religious system that so many for thousands of years have tried to protect. I have sent many WARNINGS to COME OUT of HER by many of my servants, my true Prophets, only to have them ignored, attacked, harmed, or murdered! Their innocent blood cries out to me and I will avenge them! ... Now my Judgment is on the religious system and its leaders! Righteousness and Justice are the foundation of my Throne! They are trying to protect the Old Religious Order; but I the Lord God shall expose it and destroy it! This is a Sodom and Gomorrah moment, COME OUT of HER NOW for my Judgment has begun! ... Some Churches, Ministries, Lodges, Orders, and their man made Kingdoms will burn to the ground! Others will go Bankrupt! Some leaders will be removed from the face of the Earth! Why aren't they listening? Because pride has handed them over to a reprobate mind! Being handed over to a reprobate mind is part of the Judgment! Their arrogance knows no bounds! Repentance will save your soul but it will not stop my Justice from being served! Some will say this is an attack on Christianity. NO! This is my Judgment on the corrupt system that man put in place, NOT I the Lord God!"*¹⁴
