

# The Kingdom Way (series)

## Changing The Spiritual Atmosphere

*We live in the world as Australian citizens, but we're Kingdom citizens at the same time. How do we balance our life in society so we're not working with Kingdom values and supporting our sonship? This series explores how the Kingdom way do operating is different to society's way, and how we need to change.*

(Extracted from 'Insight: The Kingdom's Methodology for Impacting Our Nation'<sup>1</sup>)

The only way to find out how we can really impact Australia using Kingdom principles is to ask the King himself. No other source will provide us with genuine spiritual truth on this matter.

In May 2023, I asked him to tell us about spiritual balance and how that impacts his people in Australia.

Here's a paragraph point-summary of his teaching:

1. Most believers<sup>2</sup> are ignorant of what a nation's spiritual atmosphere means.
2. Spiritual atmosphere can be understood as the spiritual balance in the spirit realm over a nation. (i.e. which kingdom has the greatest sway, 'Light' or 'Dark'.)
3. Nothing happens on the Earth unless the spiritual balance tips in favour of the King's plans.
4. Spiritual balance that supports the Kingdom requires people to align with the King, rather than themselves, their governments, or their society.
5. Humanity was created to be in charge of the Earth.
6. Our role is to subdue those things that come against the Trinity's plans – i.e. things that are unrighteous; things that are out of alignment with them.
7. We were created in their likeness to govern.
8. Our planetary governance is a privilege that we have been given.
9. Religions of all kinds have taken humanity away from the goal of governance and focused on doing things the way the religious systems believe 'God'<sup>3</sup> wants it done.
10. Religion has caused the Trinity to put their plans in abeyance until, in this new era of the Kingdom,<sup>4</sup> where sons have begun to see alignment with them as critical.
11. While ever there is poor alignment (i.e. non-alignment) with the Trinity, the spiritual balance is not in favour of the Kingdom.
12. When more and more sons determine in their hearts and minds, to align with the Trinity by favouring their spirit to guide them.
13. With a spirit-focus, the balance in the spirit realm for any particular facet of life on Earth can change, and tip in the Trinity's favour.
14. When the spiritual tipping point is reached, it allows the Trinity to do what they need to do.

2 – 'believer': My expression for those who believe in what was accomplished by the man Jesus. It includes Christians, plus those who have a relationship with the Trinity outside of the structured church.

3 – 'God': Any god, but including the Christians term. I use this term in inverted commas because 'God' is the generic term people use, while I don't any more. I have an intimate relationship with the members of the Trinity, so I refer to each of them by name, out of relationship. From my oneness with them, I collectively refer to them as The Trinity.

4 – MESSAGE: "A New Era in the Kingdom" (21-11-2018)  
[canberraforerunners.org/wp-content/uploads/2018/11/MESSAGE-A-New-Era-in-the-Kingdom-21-11-2018.pdf](https://canberraforerunners.org/wp-content/uploads/2018/11/MESSAGE-A-New-Era-in-the-Kingdom-21-11-2018.pdf)

15. Out of love, and because we're family, the Trinity desires to share governance of the planet with us (that's every single person) and that hasn't changed since The Fall.
16. Although evil continues to have great sway on the Earth, the Trinity are still steadfast in their desire for us to manage the natural realm.
17. Planetary management is our role and our destiny.
18. Nothing much has happened for the Kingdom since the King re-introduced it to Earth nearly 2,000 years ago. That's because believers haven't functioned as sons.
19. We'll know what's imperative<sup>5</sup> for the Kingdom if we listen to the King communicating with us.
20. Believers prefer to listen to other voices and to search 'holy scripture', rather than listening to the Spirit.
21. Believers don't listen to his voice, so they don't get the important understanding (the vital fact) that they've been put in charge of the nation.
22. Believers are not only responsible for the spiritual balance over their own lives, but also over Australia.
23. All the praying, fasting, and entreaties, and all the pressure believers put on the Trinity, does not change the fact that they're responsible for the nation's spiritual health.
24. Even when there's a positive change in the spiritual atmosphere over Australia (at one level or another), believers don't continue to align themselves with the King.
25. Non-alignment with the King, when the spiritual atmosphere is in his favour, stops any momentum building and Kingdom expansion from taking place.
26. The lack of momentum-causing alignment is why 'revivals' fizzle out.
27. We can be ineffective for the Kingdom when we focus on what the Spirit is doing, rather than on what the King is doing.
28. Believer's standard method is not to listen to what the King has to say, but to follow their own ideas.
29. Spiritual believers tend to chase after whatever gives them spiritual pleasure, so that's what they follow – instead of our King.
30. As the pinnacle of creation, the King's love for us requires him to discipline us and to train us.
31. The facts in this message are designed to train us in what's genuine spiritual reality.
32. His intent is that we operate with his mind, wisdom and knowledge.
33. Things don't take effect in our nation the way we desire it, because we don't look to the King for his knowledge.
34. As much as it is possible, he wants us to align with him in everything.
35. It's the King's plans (which are Father's plans) that we need to work with him on to see the Kingdom fill the whole Earth.
36. When the Earth is filled with the Kingdom, our next task will be to work on seeing the Kingdom fill the whole cosmos.
37. Our plans, as well as the plans of our religious organisation, are not to be the arena for sons to operate from.
38. All reality resides in the Trinity, which is why we need to align with them in our heart, mind and soul, just as your spirit already does.
39. These instructions are to be seen as encouragement, not to put a damper on us.
40. The King desires us to "step up to the plate" and tell him that **we will** align with him and his plans,

---

<sup>5</sup> – MEANING: Of vital importance; crucial. Extremely important or urgent.  
[dictionary.cambridge.org/dictionary/english/imperative](https://dictionary.cambridge.org/dictionary/english/imperative)

no matter what. That's in every area of our life.

41. He wants us to set our whole being to be in alignment with him, even if we don't know all of his plans.
42. Our alignment will change the spiritual balance over our nation, and that will change the spiritual atmosphere.
43. National change for the better comes from alignment, by submission to the King.
44. Positive spiritual change comes out of functioning in his rest. It doesn't come by striving in the Kingdom.
45. We should align with the King with our whole being, so that our delight is in that alignment, rather than our own expectations.
46. In conclusion, just go about life, listening to him. That's our prime directive, so don't forget it.

From his message, then, the main way to impact our nation is a corporate one. This occurs when many believers are in alignment with the King and work with him. The spiritual atmosphere of the nation changes when this happens, and greater things are achieved for the Kingdom.

Here's some other things he's told us, on different occasions, about changing the spiritual atmosphere in Australia:

*"The spiritual nature of your cities and nation depends on my people working with us, aligning with us,<sup>6</sup> so that I can work through them in our connectedness, so that the **spiritual atmosphere** changes. But, while ever my people are chasing after religious ideas,<sup>7</sup> and living a religious life, rather than living as sons, we're not able to achieve what we want to achieve. So, unfortunately, the dire state of your nation, your states, and your cities, is a reflection of their lack of co-ordination with us."<sup>8</sup>*

*"How much more encouraging is it for Australia for my people to learn that when they align with me, the **spiritual atmosphere** will change and the nation will begin to move further and more strongly into its destiny – that is, our destiny for Australia. At the moment, the destiny of Australia is being manipulated by Left-wing elite – small minorities – because my people are not speaking up. They're not living as though they are not part of the world system. They have absorbed the world's system and align with it, and Australia is paying the penalty."<sup>9</sup>*

*"Now, one little thing that you need to understand is that you, my sons and daughters, are the barometer of the nation. This is why you need to align with me and go about my business, speaking my words, doing my work, not the work that you think I would approve of, because you are the ekklesia. The ekklesia in ancient times were the city and town leaders that sat at the gate and made the decisions for the city, who were there to monitor who came in and out of the city. They were the ones who controlled the **atmosphere** in the city by their very presence and by their actions."<sup>10</sup> You must see yourself as the ekklesia in Australia, and as having that function. Australia must rise up as an ekklesia, not as disparate groups of Christians. So take your place and be part of the change that are my plans for Australia."<sup>11</sup>*

Limited additional information on spiritual atmosphere has come from Father. These relate more to personal spiritual atmosphere, not national:

*“Even though the world seems to be filled with evil and hatred, you are not of the world. You have the ability to create an environment of love and respect. How you feel and what you do will make a difference in your **atmosphere**, and it is more propitious to do what is good and kind rather than what is selfish and defensive, says the Lord. Let My Spirit lead you.”<sup>12</sup>*

*“In this season I want to elevate your position of discernment so that you can understand your **spiritual environment**. I want you to know more about your **atmosphere**...”<sup>13</sup>*

## **Additional Messages from the King about Australia's Spiritual Atmosphere**

(These quotes have been extracted from the various prophetic messages where he has taught on spiritual atmosphere)

“Continue to learn to trust me in a stronger way, and Australia will benefit from your growth and development because it will change the **spiritual atmosphere**, and you'll see a marked difference over time.”<sup>14</sup>

“I cannot bring about my plans for your nation until my people align with me. They must realise that I work through them. The more they do their own thing in defiance of me, the longer it takes for my plans to be activated and fulfilled. It is disappointing for you to see farmers struggling and even committing suicide because they can't cope with the drought and with financial burdens. But I lay the fault at the feet of my people. Now, it's not about them being 'good Samaritans' and helping the farmers with finance and physical support. It's about the interaction between the spirit and the physical realms. When they align with me in bulk, not just one or two here and there, but in large numbers, the spiritual atmosphere of this nation will change. Now, this change in the **spiritual atmosphere** allows my plans, all my plans for this nation, to begin to be brought into operation.”<sup>15</sup>

“So align yourself with me in the way things should be done to see righteousness in this nation increase to a point where the nation changes completely. This is by using your authority as sons to impact the nation everywhere you go. Just by your very presence, the ‘atmosphere’ should change. Now, this can only happen when you start learning to be a son and cease wanting to change the world without operating through your sonship... So if Scott Morrison is to remain Prime Minister, as sons, the choice is yours. Do you align with me and have him remain as Prime Minister and see righteousness increase, or do you reject that because of your political ideologies, and see darkness increase? I have given you the choice – the easy way or the hard way. The easy way is always to operate in alignment with Heaven, so the responsibility is yours. Agree with me with your whole heart, with your whole mind. Speak it out – and I don’t mean naming it and claiming it. I mean, wherever you go, you are in agreement with me, and when anyone asks you a question about the election, you state what I want – that’s how the atmosphere changes. The more of my people who do this, the more you will see the spiritual atmosphere change. It’s a huge responsibility when you come into the Kingdom, the responsibility of operating as my representatives. There is no greater responsibility on the planet than to be a son representing me, representing Father.”<sup>16</sup>

“In the past, I have given words to be spoken over this nation to change the ‘atmosphere’, and these prophetic words are hanging there in the spirit realm, waiting for the time for them to be fulfilled. They will be fulfilled in the time that I allocate. My plans have these in mind because I gave the messages to be spoken – they will not be ignored. But until this nation reaches a place where I can release these words to be fulfilled, nothing can happen.”<sup>17</sup>

“If you want to see changes to your nation, big changes, don’t look for revival. Revivals don’t last because people can’t maintain it. The only thing that lasts is what comes from the Spirit realm. This is why it’s so important for you to live life in the Spirit, and for me to live my life through you. In that way, you will be revived, personally, each one of you, every day, on an ongoing basis. And the more you surrender your life to me, the greater will be the manifestation of me through you. It will be an ongoing revival in crescendo, building and building and building. So that, with so many of my people allowing me to live my life through them, the spiritual atmosphere of the nation will change because they are aligning with me. Also, it’s through allowing the power and the life of Heaven to flow through them, that massive changes will take place, and this will be an unstoppable process.”<sup>18</sup>

“I can only achieve success when my people know what I’m doing and work with me. So, ‘the ball’s in your court’. Time to align with me, stay connected to my plans, and you’ll see Australia move forward, ever-so slowly, but increasingly changing to be the nation that it’s destined to be. Join me. There’s a fight. The fight is about alignment with me, not about demonstrations, prayer vigils, preachings from pulpits. It’s about every one of my people siding with me, so that the spiritual atmosphere in Australia changes – and that doesn’t take 100% co-operation. It’s less than that. So take heart, and join me.”<sup>19</sup>

“I have the big picture. I have the end-game plan. Alignment with me and my will, by your loving surrender to me, will see advances in the right direction for you and for your nation. Trust me. Trust me. Learn to rest in me, and allow me to do what I need to do in you, through you and around you. When every one of Father’s sons is doing this, there is a shift in the spiritual realm, and the atmosphere changes, and things that were offensive, things that were threatening can just evaporate.”<sup>20</sup>

“[My shock troops] are ready, in rank and file, to move forward with me, with new assignments. Although they are few, like Gideon’s army, they are effective. They will propel my Kingdom forward in this nation.

They will impact lives. They will bring about things in the **spiritual atmosphere** that have not been done before. They will achieve great things, and the reason for this is they are completely dedicated to me and being about my business in their lives in Australia. Their focus is on seeing my plans fulfilled. Their lives belong to me. They have totally surrendered to me. Although they live in Australian society and work and have families, their mind, their will and their heart are focused on me. They are attentive to my commands, my instructions. They are sensitive to the move of my Spirit, as he draws them into areas that they are to operate in. They aren't afraid to step out for me, to do and to speak as I show them."<sup>21</sup>

“The key, however, to seeing the **spiritual atmosphere** change in Australia (as I have said many, many times), is your alignment with me. Your heart, mind and will must be in alignment. Not just your head, but every part of your being must be in alignment with me. When this happens corporately, with a large number of you, it does something in the **spiritual atmosphere**. That's because when we come together there's a force multiplier effect – greater numbers exponentially increase the impact. This impact doesn't even require spiritual warfare...Spiritual warfare has its importance in your life because, as you align with me, the enemy will increase his sorties against you. As you resist – which is your prime strategy – and stand in your status as a son and in your righteousness because of my blood, you withstand him and he flees. For Australia to have a change in **spiritual atmosphere** so that the Kingdom expands and lives are touched positively requires us to be an army in full array and properly disciplined. Now, this doesn't require any religious activity. Your alignment with me produces that army because your spirit combines with my Spirit and the large numbers of my people who join creates that bulk of spiritual power. There it is. To change the **spiritual atmosphere** in Australia, my people, in large numbers, need to align completely with me. They need to resist the enemy in their life, which is their spiritual warfare. They need to connect with me in intimacy, and eventually oneness, so that the bond between us is strong and stable. This is essential for Australia to move forward in my plans.”<sup>22</sup>

“Take your mind off church revival. Focus on The Restoration of All Things. That's where your allegiance and alignment must be. In regard to that, I will be releasing my Spirit in greater measure over time so that more and more of my people become strong in the things of the Spirit. More and more will come into relationship with us so that we work in partnership. More and more of the people of Australia will be flowing in the Spirit and aligning with us so that you'll see a change in the **spiritual atmosphere** of your nation. This will work towards The Restoration of All Things, because those who come into this move that I am planning, and have been working on, will be working with us. Their focus will be on us and we'll work together in teamwork on the plans of impacting the spirit realm and the natural realm in Australia. That will bring The Restoration of All Things closer to fulfilment.”<sup>23</sup>
