11<sup>th</sup> April 2016

*This article contains the spiritual facts (realities) I was given prophetically on the above date.  
These have been 'The Word' for me as they come from The Word of God to me.  
The facts are on page one, while the sources are on page 2, so it is clear where they came from.*

SOURCE FILE: "My Beloved Nation"<sup>ii</sup>

This message was received on my walk, while I was thinking about my mother-in-law's funeral which was in the following week. I was musing over the possibility of prophesying at it. As a baby-boomer I was also considering the fact that this was the end of the generation who went through the Great Depression and WWII, and what that will mean for Australia.

1. This is a significant day. It's a day of the changing of the guard.<sup>iii</sup>
2. It's time for the next generation to 'rule' and to come out from under the shadow of their parents.<sup>iv</sup>
3. It's significant because these next generations will rise up to be those who usher in my 'return'.<sup>1, v</sup>
4. It's significant because our King has turned his heart towards implementing his plans for Australia.<sup>vi</sup>
5. That includes lifting Australia up from its 'down-under' and 'colony' tag, to a place of significance.<sup>vii</sup>
6. He has seen the distress our people have been under and he's heard our call for him to intervene.<sup>viii</sup>
7. He will go all the way to do a great work in our nation.<sup>ix</sup>
8. Australia is his beloved nation<sup>2</sup> and it's time to make his changes in it.<sup>x</sup>
9. Nothing will hinder him from doing what he plans to do.<sup>xi</sup>
10. The fear we have that Îşlâm will take over Australia will not happen.<sup>xii</sup>
11. He will overcome the perversion in our nation. It will not stop him.<sup>xiii</sup>
12. Australia will become a powerful nation from his perspective.<sup>xiv</sup>
13. This message is his decree<sup>3</sup> of what will take place.<sup>xv</sup>

1 – His return will not be what we have been led to believe.

2 – Australia is not the only nation he loves. That's in alignment with his character of loving his creation and his work in creating nations and people groups.

3 – The King's decree, not mine.
