*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God' to me.
The facts are on page one, while the sources are on page 3-4, so it is clear where they came from.*

**SOURCE FILE:** "The Impact of Christians Observing Jewish Feasts"<sup>ii</sup>

1. There is no impact on our nation when Christians celebrate Jewish feasts.<sup>iii</sup>
2. Father's plan is for us to impact Earth and the living things on it.<sup>iv</sup>
3. What we do, what we say, what we declare, plus what's in our heart, all impact our nation, either positively or negatively.<sup>v</sup>
4. As imagers, we impact the natural realm, because sons are like their Father.<sup>vi</sup>
5. Our heart, our speech, our thoughts and what we do, either allow Father to work through us or it gives the enemy the gateway to do what he wants on Earth.<sup>vii</sup>
6. Everything spiritual is related to our spiritual authority.<sup>viii</sup>
7. We must know that we are the authorised rulers of Earth.<sup>ix</sup>
8. Impacting our nation for good is in the hands of sons, not the government or the people in power.<sup>x</sup>
9. We are to live, speak, think and be, in ways that will impact our nation.<sup>xi</sup>
10. Father has plans for Australia to be a leader nation, and he wants to bring this about in this period of history.<sup>xii</sup>
11. The elevation of our nation won't happen unless we are working with him.<sup>xiii</sup>
12. Impact our nation so it rises to its destiny is what we should be doing, not celebrating Jewish feasts, thinking we're pleasing Father better than others.<sup>xiv</sup>
13. Father wants us to celebrate him, not Jewish feasts.<sup>xv</sup>
14. Father wants us to find out from him what his plans and purposes are, and then to implement them in our locality.<sup>xvi</sup>
15. When sons all work together on Father's plans, there will be a shift in the spiritual realm which will produce a great impact in the natural realm.<sup>xvii</sup>
16. This shift will impact our nation in a greater way than the anticipated national revival that Christians are praying for.<sup>xviii</sup>
17. The impact will sweep across our nation like a tsunami.<sup>xix</sup>
18. Some people in our nation will see this impact as devastating for their agenda, but for Father, it's his heart's desire and delight that he will see his sons being about his business in our nation.<sup>xx</sup>
19. Sons need to rise up to this situation and prepare for the battle that's needed to impact our nation.<sup>xxi</sup>
20. This impact begins in our homes and local communities. From there it will impact cities and the nation.<sup>xxii</sup>
21. We are to set our eyes to the immediate – on our territory (the Kingdom that you rule) – and take authority there so we can impact it fully.<sup>xxiii</sup>
22. When we align ourselves with Father in our kingdom, it will expand as he grows us. It will then spread

like a network across the nation, from city to city and town to town, so that the nation is totally impacted.<sup>xxiv</sup>

23. This will be a glorious time for us and for Father as we will display the glory that sons have to the world, even to other nations.<sup>xxv</sup>

24. This is the impact that Father desires us to work towards. We must make it our desire, not desiring to celebrate Jewish feasts.<sup>xxvi</sup>

iii – “Impact, impact” (actually: “Impact, shmimpact”) *Read the ‘Notes’ section at the beginning of the article*

iv – “You want to know about impact? Your very existence on this planet, on this Earth that I created is to impact it. My plans and my purposes are to impact Earth – the planet itself and the living things on it – through you. You must get this and get it firmly fixed in your heart and mind and soul. As my sons, you are here to impact. ”

v – “What you do, what you say, what you declare, what’s in your heart, all these things will impact this nation either positively or negatively. I want you to focus on that. Do you understand?”

vi – “As my sons, you were made in my likeness and in my image, and you have that ability to impact this planet – impact Earth and its inhabitants for me.”

vii – “Watch your language. Watch your heart, guard it. Watch what you do. Guard and watch your thoughts. Because all of these things either allow me to work in this planet through you or it gives the enemy the go-ahead to do his work.”

viii – “It’s all about spiritual authority, as you know.”

ix – “But in this time and in this season, in these last days it’s imperative that you understand the importance of your place as the rulers of this planet. I have given you dominion, and now that you have come back into my Kingdom as my sons, that rulership is now re-established in you through my Son.”

x – “If you want to impact this nation and impact it for good, then it’s all in your hands. Don’t look to the government. Don’t look to the powers that work in your nation. Look to yourselves, your brothers and your sisters, and start working in unison with my Holy Spirit.”

xi – “Start living and speaking and being and thinking in ways that will impact this nation.”

xii – “I have plans for this nation, plans to raise it up as a 'leader nation', plans to bring it to the fore.”

xiii – “But it requires my people to be active – and working in parallel with me, in alignment with me, so that my plans can come to fruition.”

xiv – “This is the impact you should be looking for.”

xv – “Seek me, celebrate me.”

xvi – “Seek me, celebrate me. Find out what my plans and my purposes are and implement them in your environment: in your local area; in your homes; in your cities and towns; in your businesses and schools.”

xvii – “When all my sons work together like this, there will be a shift. A shift in the spiritual which will manifest in the natural, and there will be an impact.”

xviii – “An impact that this nation has never seen before, far greater than any proposed or thought-of revival.”

xix – “The wholesale movement of my sons in alignment with me is like a tidal wave that will sweep across this nation and have great impact.”

xx – “Some will see it as devastation, but for me it is my heart’s desire and my delight to see my sons being about my business in this nation.”

xxi – “So rise up sons, “gird your loins” (as the Old Testament phrase goes) and get ready for battle. Get ready to impact this nation. ”
