

# ↳ THE WORD ↵

15<sup>th</sup> march 2016

*This article contains the spiritual facts (realities) I was given prophetically on the above date.  
These have been 'The Word' for me as they come from The Word of God to me.  
The facts are on page one, while the sources are on page 2, so it is clear where they came from.*

**SOURCE FILE:** "Cease Being Fussy About Your Food"<sup>ii</sup>

The following sentence was dropped into my spirit as I was bemoaning the fact that parents these days don't train their children to eat everything they are given. They pander to them and ask them what they want to eat and don't give them anything they refuse to eat. This trains them from an early age to be self-centred and have independence of the rebellious type. I was not looking for a revelation at the time, so the following came as quite a shock.

*"Cease being fussy about your food"*

As I received it I checked with my spirit as to its underlying meaning. I received a sense about the message which gives it's wider relevance and meaning.

1. We must start getting ready for tough times by being content with what you have because you will not have what you desire in the future.<sup>iii</sup>
2. The fussiness of our pampered Western lifestyle, where we "want what we want", is not what our King is wanting to provide for us. .<sup>iv</sup>
3. Our society's hedonistic lifestyle is not fitting for Kingdom sons.<sup>v</sup>
