21st July 2018

*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God to me.
The facts are on page one, while the sources are on page 2, so it is clear where they came from.*

## SOURCE FILE: "The Restoration of Families"<sup>ii</sup> [a vision]

1. Family life as it should be in the Kingdom is going to be restored.<sup>iii</sup>
2. There will be peace and harmony within them and there will be a spiritual 'glow' about them.<sup>iv</sup>
3. Father's move to restore society will be focused on family life, not the church, movements, ministries or significant individuals.<sup>v</sup>
4. Families will have 2 parents with children and they will function organismally where there will be inter-personal support between them all.<sup>vi</sup>
5. We must align with Father on this matter and focus our attention on families – especially our own.<sup>vii</sup>
6. When there is a groundswell in this alignment, Heaven will be able to move to change our society for the better.<sup>viii</sup>

iii – “In my spirit I received the knowledge that families are going to be restored.”

iv – “I saw them living in peace and harmony with everyone honouring each other and deferring to each other. There was a ‘glow’ about them – not literally speaking.”

v – “This was interesting spiritual information because it wasn’t what I was expecting from the move of God. I was contemplating the spiritual transformation of society as God’s main aim, but I was mistaken in my focus. He’s interested in families, not just individuals and movements, and that’s not from a church perspective. It’s his idea. This intended move of his is in contrast to our Western society, where the family unit has been crumbling since the 1960s.”

vi – “Almighty God created the family ‘organism’ and he had reasons for it. Before the Fall and before Christian religion, there was a 2-person, ‘diecious’ family which was commanded to have children.”

vii – “So, start aligning with Heaven and desire to see families in Australia restored, especially your own.”

viii – “When there is a groundswell of desire in this area, Heaven will move in a big way to see it happen.”
