## SOURCE FILE: "We're on the Cusp"<sup>ii</sup>

1. Our King is excited to bring us into a wonderful time when unexpected things will happen in the near future and also long-term.<sup>iii</sup>
2. He's been able to get a remnant<sup>1</sup> of his people worldwide to move in the right direction, listening to him, working with him, and partnering with him, which is what he wanted all along.<sup>iv</sup>
3. There's no longer any reason to engage in anything that isn't essential to the Kingdom, except our earthly responsibilities<sup>2</sup>.<sup>v</sup>
4. Unless we focus on the same things as our King, we'll hold up what he wants to do.<sup>vi</sup>
5. There will be resistance among his people to what he's doing, because we follow our human nature with a focus on what our soul and our mind want to do.<sup>vii</sup>
6. Even though wonderful things will happen, the reticence of Christians will keep them outside of what he'll do around the world.<sup>viii</sup>
7. We want the abundant life of the Kingdom that he promised, and this will be demonstrated in this new season, but if we shut him out, we won't enter into it.<sup>ix</sup>
8. All those barriers that are keeping him locked out of any area of ourselves must be eliminated.<sup>x</sup>
9. Removing all our barriers to him to have full sway in our lives is necessary so we can work together with him. That's the only way the glory and the wonders can be released, and the great move of his Spirit can take place.<sup>xi</sup>
10. We need to continually remind ourselves that he does his work through us.<sup>xii</sup>
11. We must firmly fix in our mind that we were created to be his partners in managing the entire natural realm<sup>3</sup>.<sup>xiii</sup>
12. He's admonishing<sup>4</sup> us lovingly to change the way we think so we start thinking like he thinks.<sup>xiv</sup>
13. Thinking like him is what a renewed mind does.<sup>xv</sup>
14. When we think like him, we'll be able to see things as he sees them and respond to things the way he would, with his heart.<sup>xvi</sup>
15. To think understand and respond with his heart are essentials for moving into what he's planned for us.<sup>xvii</sup>
16. What he does will begin in places around the world and then spread worldwide.<sup>xviii</sup>
17. We'll properly prepare ourselves by preparing our hearts to be fully his alone, because he can't work

1 – "Remnant" isn't used in his message, but from observation, very few 'fit the bill'. However, he has been saying 'remnant' for a long time: e.g. "[It will be] through the old and the young, through the trained and untrained, but especially among my hidden remnant, those who have remained hidden, who I have been training and preparing for this time." FROM: "Wait to be Released" (12-1-2022)

e.g. "...join the Bride, the remnant that I am putting together for these last great events that will come upon this planet." FROM: "Jesus Face-to-Face" (7-11-2016) [canberraforerunners.org/wp-content/uploads/2016/03/MESSAGE-Jesus-Face-to-Face-7-11-2016.pdf](http://canberraforerunners.org/wp-content/uploads/2016/03/MESSAGE-Jesus-Face-to-Face-7-11-2016.pdf)

2 – See point 19

3 – i.e. The cosmos, not just Earth.

4 – MEANING: 'to give friendly earnest advice or encouragement to' [www.merriam-webster.com/dictionary/admonish](http://www.merriam-webster.com/dictionary/admonish)

with a divided heart<sup>5</sup>.<sup>xxix</sup>

18. A priority in that is to set him as our beloved, and make his priorities, our priorities.<sup>xx</sup>
19. That doesn't mean we don't enjoy life. We're to enjoy it with him, and not just have him as an addition to our lives.<sup>xxxi</sup>
20. Our King wants us all to go into this new season together, in unison and oneness of heart and mind.<sup>xxii</sup>
21. What he will do will not only be exciting, but it will be a blessing to the whole of the human race.<sup>xxiii</sup>
22. It will even be a blessing to the entire natural realm, as the sons of God rise up in maturity, and the natural realm responds with joy to that.<sup>xxiv</sup>
23. What he will do will be part of the move towards The Restoration of All Things.<sup>xxv</sup>
24. At this time, we need to have an understanding of, and heart for, The Restoration of All Things.<sup>xxvi</sup>
25. One of the main thrusts of The Restoration of All Things is the reversal the effects of The Fall, by bringing the whole of humanity back to where we were at creation.<sup>xxvii</sup>
26. This reversal will be a very slow process, because of resistance from his people and from the Kingdom of Darkness. However, that's where he's taking us.<sup>xxviii</sup>
27. We need to wholeheartedly accept that as his plan and to align with it. It must become a priority in our whole being.<sup>xxix</sup>
28. We need to anticipate with joy what he's about to do, because it is coming, whether we want it to or not.<sup>xxx</sup>
29. We need to get ready by preparing ourselves for the unveiling of his move.<sup>xxxi</sup>
30. In readying ourselves, he doesn't want us to abrogate our responsibilities in life.<sup>xxxii</sup>
31. As we move into this time, he wants us to focus on him, his plans and what he's told us personally. These are our priorities.<sup>xxxiii</sup>
32. He wants us to move together with him, in alignment and in unison.<sup>xxxiv</sup>
33. He's enthusiastic about what he wants to do and he wants us to get enthusiastic too.<sup>xxxv</sup>

iii – QUESTION: Lord, you’ve been releasing worldwide, that **we’re on the cusp of something wonderful, something unexpected**. What is it that you want to tell us about this, so that we’re prepared?

MESSAGE: “This is the time I’ve been waiting for, and literally, I’m excited. I will see many of my plans come to fruition in the days ahead and the years ahead.”

iv – “I have at last got my people moving in the right direction, listening to me, working with me, and partnering with me. That’s what I wanted all along.”

v – “There’s no time to ‘dilly-dally’, to waste, to spend on yourself, to spend on superfluous matters, on things that are not essential for the Kingdom.”

vi – “Unless we have focus together, what I want to release and am about to release, will be slow or will be held up.”

vii – “I anticipate there will be problems. There will be resistance to what I am doing. From experience, that is to be expected. Your human reactions, your desire to follow your heart and your soul and your mind, will prevent many from accepting what I’m about to do.”

viii – “Sure, they will see wonderful things happening, but reticence will keep them ‘boxed up’.”

ix – “You want the abundant life of the Kingdom that I promised, but you shut me out. This can’t happen.”

x – “I desire for you to drop down all those barriers that you have that are preventing me from reaching you... Those ‘walls’ must come down.”

xi – “Those barriers must evaporate so that we can work together, so that the glory I want to release, the wonders I want to release, the great move of my Spirit that I want to release, can take place.”

xii – “Remember, I work through you and I work with you.”

xiii – “I created you to be my partners in the management of the [entire] natural realm.”

xiv – “So, I’m admonishing you to change your ways, change the way you think. Think like me – that’s what renewing your mind is all about. ”

xv – “Think like me – that’s what renewing your mind is all about.”

xvi – “Then you’ll be able to think like me. You’ll be able to see like I see, and you’ll be able to react to things the right way. In most cases you’ll respond from my heart.”

xvii – “This is what’s necessary for what’s coming, so prepare yourself for a move that I’m going to do worldwide.”

xviii – “It will start in places, here and there, but it will spread. ”

xix – “Prepare yourself by preparing your heart to be mine. I can’t work with a divided heart.”

xx – “Accept me as your beloved and set your priorities as my priorities.”

xxi – “That doesn’t mean you don’t enjoy life. Enjoy life with me , not with me as an addition.”

xxii – “We’re going to go into this time together. ”

xxiii – “It will be exciting, and it will be a blessing to the whole of the human race.”
