

↳ THE WORD ↵

3rd February 2017

*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God to me.
The facts are on page one, while the sources are on page 2, so it is clear where they came from.*

SOURCE FILE: "Kingdom End-Time Shock Troops"ⁱⁱ

1. Our King is looking for people who will align with him.ⁱⁱⁱ
2. Our King is looking for people who are prepared to be completely reprogrammed because they have a heart's desire to know what's real.^{iv}
3. These sons desire all their religious language to be removed and replaced with spiritual truth.^v
4. These sons rely on The Word of God himself, not the word of God in any other form.^{vi}
5. These sons are taught by the Spirit in a multitude of ways, not in any particular way because they are open to him.^{vii}
6. These sons are the ones our King is looking for in this new era of the Kingdom.^{viii}
7. These sons are the ones he will train and raise up to do his work and to do great exploits.^{ix}
8. These sons are his focus and the centre of his plans in these End Times.^x
9. Only these Kingdom SAS¹ troops will be able to handle what's coming².^{xi}
10. Religious Christians will not be able to complete the training to be selected for higher duties.^{xii}
11. Even though our King loves all his people he will do what Gideon did and whittle down believers until the most suitable warriors remain. These are the ones he will use.^{xiii}

NOTE

This download was an expansion of what I had already received in the previous few months. The additional bits here are: SAS training; shock troops; and coping with the enemy and his system.

To get an understanding of SAS selection and training of volunteers, check this Australian video documentary:

1 – SAS: Special Air Service elite troops

2 – At the time of receiving the download I believed in the coming AntiChrist, according to the book of Revelation. This is not my current belief. The use of this term in the download is an example of our King speaking to us in terms we understand and can relate to, even though they may not be totally accurate. Such is his grace in the NC for downloads that reveal his heart.
