*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God to me.
The facts are on page one, while the sources are on page 3-4, so it is clear where they came from.*

## SOURCE FILE: "Australia's End-Time Warriors"<sup>ii</sup>

1. Our King has seen small but significant changes in Australia which show him that it's coming to the time to release his Spirit on the nation.<sup>iii</sup>
2. He has set Australia a destiny of greatness and great works.<sup>iv</sup>
3. We are to continue imparting what we know to others, but we need to keep in line with the King in all things so we do and say what he wants.<sup>v</sup>
4. While coming from simple origins, the King has a destiny for Australia which it must rise up to.<sup>vi</sup>
5. Australia has been put in an isolated position away from the affairs of the rest of the world, so that in isolation it has been able to grow and develop as the King has molded and shaped it.<sup>vii</sup>
6. Our King has a great plan for Australia which we must connect with, align with and not work against, but it will succeed.<sup>viii</sup>
7. He will bring Australia into a place of leadership, of headship. It will become a sheep nation that has his honour attached to it.<sup>ix</sup>
8. Although Australia had a humble beginning and is not considered significant in the world, the work the King has done has raised our image in the world so that people are taking note of us.<sup>x</sup>
9. Our King is wanting Australia to have an impact on the international scene, to display his glory and to speak what he gives us to say to the world.<sup>xi</sup>
10. Nations will come to Australia because they will see what he has done in and through us, and they will recognise that his hand has been on us.<sup>xii</sup>
11. Our job as end-time warriors is to see Australia grow and develop into a Kingdom nation, full of his glory. This will cause others to want what the Kingdom has for them as well.<sup>xiii</sup>
12. The King has other plans for Australia which he is not ready to divulge at the present time.<sup>xiv</sup>
13. We are not to hide away waiting for the Rapture and his Return. We are to impact the 7 mountains of our nation as the King shows us.<sup>xv</sup>
14. Our King works through us when we're out, operating in in all areas of society, which is the way he changes nations. He only needs a small group of hard workers to do this.<sup>xvi</sup>
15. The small nation of Australia will impact the whole world. All he needs to do it, is a small group of hard workers who follow his instructions.<sup>xvii</sup>
16. Doors will be opened for us which we are to boldly go through, but humbly, in the King's authority and in his spiritual power.<sup>xviii</sup>
17. Holy Spirit will give us instructions in every area of our lives. All we have to do is to fully comply and move forward with him.<sup>xix</sup>
18. This is the King's wonderful master plan for Australia which will seem strange to almost everyone.<sup>xx</sup>
19. Onlookers will be astounded at the changes that occur in us as we carry out the King's plans for Australia.<sup>xxi</sup>

20. Our King will defend us against those who hate what he does in our nation.<sup>xxii</sup>
21. Our King will defend us against those who want to take what we have, but only if we allow him to defend us.<sup>xxiii</sup>
22. As our nation becomes more and more the King's Kingdom, he will amazingly defend us. It will be awesome, and we won't have to do anything.<sup>xxiv</sup>
23. **Our King's end-time warriors are his darlings, his beloveds, and they are The Bride.**<sup>xxv</sup>
24. We are to exhibit him to the nation through our interaction with people, and, we are to work for him.<sup>xxvi</sup>
25. Our worship must be from every part of our being, and occurring every moment of every day.<sup>xxvii</sup>
26. Australia is for our taking. It's not for taking over by any other group, religion or persuasion who might want it.<sup>xxviii</sup>
27. Australia will have a 'box seat' in the culmination of Father's grand plan of all time.<sup>xxix</sup>
28. Our King loves us, despite our waywardness in doing things our way and following our own plans.<sup>xxx</sup>
29. We are to display the Kingdom to the nation – its superiority; excellence; the miraculous and the greatness it produces.<sup>xxxi</sup>
30. Our King works through us, not angels. Angels are our back-up, so we need to get it done.<sup>xxxii</sup>
31. Our King blesses us and our work for him as we actually do it.<sup>xxxiii</sup>
32. We are to do everything in the King's name – for him only.<sup>xxxiv</sup>

iii – “I see things changing in your nation – changing for the better. I’ve been watching and observing, and I see flames of improvement. I see pockets of change. These are encouraging me to release my Spirit on this nation.”

iv – “This nation I set apart for great works, for greatness.”

v – “Keep in line with me. Keep imparting into this nation.”

vi – “This nation has to rise up and fulfil its destiny, the destiny I’ve set aside and given to it; decreed to it; handed to it as a scroll. It started simply with indigenous people and I brought the Europeans. I brought the English. I brought the workers. And I’ve instilled in this nation an ethic – a work ethic – productivity that could only come from my hand.”

vii – “I’ve put you in an isolated position away from the affairs of the rest of the world, so that in that place of isolation you can grow and develop as I mould you and shape you.”

viii – “This is a great plan that I have for your nation and you must connect with it. You must ‘see’ this plan and work with me, not against me, ‘cause my plans will succeed.”

ix – “I will bring this nation into leadership. I will bring this nation into headship. I will bring this nation into the place of being a sheep nation that has my honour attached to it.”

x – “I’ve done great things already to raise you up from a penal colony, from an indigenous nation of nobodies to a place of importance in the world. People take note of you. People hear the name of Australia and it no longer is a byword; it is no longer insignificant; it is no longer some place ‘down under’. When people hear “Australia” now around the world, their ears ‘prick up’ and they pay attention.”

xi – “So I’m wanting Australia to do more in the international scene. I’m wanting Australia to speak forth what I deposit in them. I’m looking to Australia to display my glory, display what I deposit in them to the nations of the world, so that they will see.”

xii – “And nations will come to Australia. Nations will see what I have done. They may not recognise my hand, but they will come.”

xiii – “Your job, my end-time warriors, is to see Australia grow and develop into a Kingdom nation. A nation that display my kingdom and my glory so that the nations and the people who look, will ask, will want. They’ll say, “I want what they’ve got”. And we’ll be able to say together, “They have the Kingdom”.”

xiv – “This is my plan. This is my purpose. Other great things I have, and I keep them to myself, locked away at the moment.”

xv – “But you must move out into the ‘mountains’ of your society and take my glory there – take my Kingdom. Because it’s in this place of being in the nation where you are focussed on my nation, where you are focussing on bringing my Kingdom to the nation that I’m able to work. I can’t work to my full extent while you’re hiding away, reserving yourself to some end-time event.”

xvi – “I work through you when you are out in society; when you’re out in the nation; when you are touching people’s lives; when you are impacting, interceding, imparting into businesses and industry and commerce and education and families and organisations. That’s when I change a nation, in the same way that William Wilberforce changed the nation. A couple of people – a hand-full – changed a whole nation and impacted the whole world, impacted the whole world.”

xvii – “Australia has that as part of its destiny, to impact the whole world. You look at Israel – an

insignificant nation – they have impacted the whole world. Australia, in this clime, is going to do the same thing, but it needs my end-time warriors to get out my end-time workers, to roll up their sleeves and do what I ask them to do.”

xviii – “I open doors for you. I want you to go through those doors boldly, but do it in humility, and in my authority and in my power – the power of my Holy Spirit, under my anointing.”

xix – “Follow my instructions. Holy Spirit will tell you what to do; what to say; where to go; who to be; what jobs to apply for; what businesses to speak to; what conglomerates to make; what networks to form. I’ll do all that – your job is just to listen and to move forward.”

xx – “This is my master plan for Australia – strange to most people, but wondrous to me. Wonderful to me and wondrous to those who will look on it as you rise up as a nation.”

xxi – “Yes, that wondrous observation will occur. "Who are these people?" "What’s happening to them?" "Why is this rise into international statehood happening?" "Why is the importance of this nation coming to the attention of the whole world?"”

xxii – “Yes, and I will defend you because there will be those who will hate what’s happening here.”

xxiii – “There’ll be those who want what is here, but I will defend you. But that defence will depend on your move towards me.”

xxiv – “Move! Move into my Kingdom. Move your nation into my Kingdom and your defence will not even require you to lift a finger because I will already have anticipated and I will already preclude victory. And victory will happen, and you’ll stand back amazed and give me all the thanks and the praise because it won’t be you.”

xxv – “So my end-time warriors, my darlings, my beloveds, my Bride...”

xxvi – “So my end-time warriors, my darlings, my beloveds, my Bride – shine, work.”

xxvii – “Don’t just worship me in song and dance, roll up your sleeves and worship me with every part of your being, with every moment of your day. Get out there!”

xxviii – “The nation is yours for the taking. It’s not for Îşlâm; it’s for you; it’s for me; it’s for the Kingdom; it’s for Father’s will to be done; it’s for Father’s purposes.”

xxix – “The grand plan, the grand design of all time is culminating and Australia has a head position in that.”

xxx – “I love you Australia. I love you my people. You are my people. Despite your waywardness, you are still my people. My hand is on you. Don’t despair. Don’t look at the lack-lustre performance that you see around you. ”

xxxi – “Get out there and take the Kingdom [with you]. Show them superiority; show them excellence; show them that my finger touching the nation produces miracles and produces greatness. It’s all up to you.”

xxxii – “I’m working through you – I’m not doing this angelically. I have instructed you. I have prepared you. I have trained you – the job is yours. Get out and do it and I am with you. My angels will back you up. They will not go ahead of you and do your work. Remember that. It’s you I am working through ‘cause I get the glory, the nation is glorified in the other nations of the world when you work.”

xxxiii – “I bless you and your work to prosper.”

xxxiv – “Go forth in my name.”
