5th November 2021

*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God to me.
The facts are on page one, while the sources are on page 2, so it is clear where they came from.*

1. Father looks forward to being with me every morning.ⁱⁱⁱ
2. The processes for transforming me have been intense lately.^{iv}
3. A lot of major changes in me are required for me to be ready for my future Kingdom work.^v
4. Even though the transformation processes will be hard, the rewards will be great for me.^{vi}
5. I'm not to reject the processes, but to fully yield to them so they do their work on me.^{vii}
6. Father isn't trying to quench my enthusiasm to do great exploits for him, he's preparing me so I can succeed and not be taken out by the enemy.^{viii}
7. Father wants me to do great exploits for him and impact the world with the Kingdom.^{ix}
8. To do what I need to do I need to surrender more, and do that voluntarily and happily.^x
9. Although the days are getting darker (more evil) I will shine as a light for him.^{xi}
10. Everything Father is able to do in me and through me requires my consent, commitment and partnership with him.^{xii}
11. That's why he's molding me and wanting me to bring my mind into subjection to my spirit.^{xiii}
12. Father loves me and knows that I do know that he does.^{xiv}
13. I haven't yet been able to get to the place of total surrender of every component of my being, which will allow me to do what I need to do for Father.^{xv}
14. My mind and my soul still has too much sway over me.^{xvi}
15. Father wants me to work on this surrender to my spirit because only I can do it for myself.^{xvii}
16. Father's desire for me is to have a long life and to prosper under his oversight.^{xviii}
17. I need to be aware of 'voices' telling me otherwise and not listen to them.^{xix}
18. I'm not to get frustrated with those who want me to get excited, but to remain calm and sober-minded.^{xx}
19. My joy is internal, inside me, so I need to stay at peace and remain vigilant to keep even-keeled.^{xxi}
20. Father loves me greatly.^{xxii}
21. He wants me to get the benefit of journalling with him more often.^{xxiii}

iii – “Son, it’s good to be with you again this morning. I’ve been looking forward to this time every day.”

iv – “You’ve been looking for encouragement, as your processes of transformation have been intense lately. Well, here it is.”

v – “You’re being prepared for the future, as you know, and that future requires a lot of major changes in you, so you are prepared (fully prepared) for what you are to do.”

vi – “Yes, it will be difficult, and it will require a lot from you. However, the rewards are great for you and for my Kingdom.”

vii – “So, don’t reject the processes I put you through, and yield yourself more fully and freely to those processes.”

viii – “I’m not looking to smother what you are excited to be able to do for me. On the contrary, I’m molding and shaping you to prepare you so you succeed and are not taken out by the enemy.”

ix – “You want to do great exploits and be a significant impacter for my Kingdom. You will do that.”

x – “However, you must change greatly and that requires even more surrender. That surrender, of course, must be voluntary and released with joy and trust in me.”

xi – “These days are dark, and they will get darker, but you will shine for me in that darkness.”

xii – “Remember, everything I do for you and with you requires your consent. I don’t work outside of your personal commitment and desire to partner with me.”

xiii – “This is why more molding is required of you because your mind is so strong. You must learn to bring it into subjection to your spirit so my Spirit can use you more.”

xiv – “I love you son and only want the best for you. You realise that...”

xv – “...but you haven’t got to the place of total surrender of every component of your being which will allow me to do what I need to do.”

xvi – “Your soul still has too much sway in your life – curb it. Your mind still overrides what my Spirit is wanting to do.”

xvii – “Do you see that? I know you do, so what are you going to do about it? You see, it’s all up to you.”

xviii – “Live long and prosper, my son. This is my desire for you. Never doubt it.”

xix – “Never listen to ‘voices’ which tell you otherwise. You’ll need to keep guard against those ‘voices’, more and more, as you move into what I have for you, so be aware at all times of what’s going on around you.”

xx – “I know you are frustrated in a minor way with those who want you to “get excited” about what I am doing. Cheer up, they will realise the wisdom of remaining calm and sober at all times. You are right – they are wrong.”

xxi – “Your joy is internal and in me, so stay at peace and remain vigilant to keep even-keeled”

xxii – “Love you son. ”

xxiii – “Let’s do this journalling more often. You’ll see the benefits of it.”
