THE WORD

How Do We Positively Impact Australia? (2017)

This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God[1] *to me.*
The facts are located here as paragraph point-summaries. The source information is in the original file.

SOURCE FILE: "KCC MESSAGE: How Do We Positively Impact Australia"[2]

1. Do you really want to know about impacting Australia? I'll tell you.
2. Your very existence on this planet, on this Earth that I created, is to impact it.
3. My plans and my purposes are to impact Earth – the planet itself and the living things on it – through you.
4. You must get that fact, and get it firmly fixed in your heart, mind and soul.
5. As my sons, you're here to impact.
6. What you do, what you say, what you declare, and what's in your heart, all these things will impact this nation either positively or negatively.
7. Focus on that point. Do you understand it?
8. As my sons, you were made in my likeness and in my image, and you have that ability to impact this planet – impact Earth and its inhabitants – for me.
9. So, watch your language. Watch your heart, guard it. Watch what you do. Guard and watch your thoughts.
10. All of these things either allow me to work in this planet through you or it gives the enemy the go-ahead to do his work.
11. It's all about spiritual authority, as you know.[3]
12. However, in this time and in this season, in these last days, leading up to The Restoration of All Things, it's imperative that you understand the importance of your place as the rulers of this planet.
13. I've given you dominion, and now that you have come back into my Kingdom as my sons, that rulership is now re-established in you through my Son.
14. Therefore, if you want to impact this nation and impact it for good, it's all in your hands.
15. Don't look to the government, and don't look to the powers that work in your nation.
16. Look to yourselves, your brothers and your sisters, and start working in unison with my Holy Spirit.
17. Start being, living, speaking, and thinking in ways that will impact this nation.
18. I have plans for this nation, plans to raise it up as a 'leader' nation, plans to bring it to the fore.
19. However, that strategy requires my people to be active and working in parallel with me, in alignment with me, so all my plans can come to fruition.
20. This is the impact you should be looking for – from you working spiritually, not religiously.
21. Seek me, celebrate me. That's a priority for you.
22. Find out what my plans and purposes are, and implement them wherever you are – in your local area,

in your homes, in your cities and towns, and in your businesses and schools.

23. When all my sons work together like that, there'll be a shift. A shift in the spiritual realm which will manifest in the natural, and there will be an impact.
24. It'll be an impact that your nation has never seen before, far greater than any proposed or thought-of revival.
25. The wholesale movement of my sons in alignment with me is like a tidal wave that will sweep across this nation and have great impact.
26. Some will see it as devastation, but for me it's my heart's desire and my delight to see my sons being about my business in their nation.
27. So, rise up sons, prepare yourself, and get ready for battle. Get ready to impact your nation.
28. Remember, it starts with your homes, your streets, your towns and your cities, before it goes to the nation.
29. Set your eyes to the immediate – what your territory is (i.e. the Kingdom that you rule).
30. Take authority in that jurisdiction.
31. Align yourself with me in your personal Kingdom and expand as I grow you.
32. The Kingdom's influence will then spread like a network across the nation, from city to city and town to town, so that the nation is impacted.
33. This will be a glorious time, a time when the glory that I have in you will be displayed, and all will see it.
34. I will see it. The other nations will see it.
35. It will not be able to be hidden.
36. What an impact!
37. That's the impact that my heart's desire is working towards – make it your desire.
