How To Impact Our Nation (15-8-2025)

This article contains the spiritual facts (realities) I was given prophetically on the above date.

These have been 'The Word' for me as they come from The Word of God¹ to me.

The facts are located here as paragraph point-summaries, while the source information is in the original file.

1. Work in alignment with him.³
2. He wants his aims and objectives, purposes and plans, for both Australia and the world to be achieved.
3. Work with him as a team, not independently.
4. He works in perfection, so our alignment with him will enable us to work perfectly as well.
5. Humanity has been 'doing their own thing' for far too long.
6. He's the King, so we should be submitting to what he wants to do and how he wants it done.
7. Doing things his way produces the best results.
8. Doing things his way honours him.
9. It's not arduous to do things his way because he doesn't put pressure on us to perform.
10. The spirit realm needs to be impacted so that Australia is impacted in the natural realm.
11. Spiritual power is required to impact the spirit realm.
12. Operating through our natural mind and soul, rather than our spirit, prevents us from impacting the spirit realm.
13. The Kingdom method for change is to impact the spirit realm so the natural realm is impacted as a consequence.
14. How we do things naturally in everyday life doesn't help us to work in the Kingdom.
15. Our Kingdom power and authority resides in the spirit realm, not the natural realm.
16. Christians have been wanting revival to change the nation, but the intention of that is to Christianize it, not impact it with the Kingdom.
17. The King has informed us previously not to desire Christian revival.⁴
18. What he's looking for is for his Kingdom, and his influence, to impact people's lives, so it influences all the nations and the whole of the planet.
19. We need to operate for him, knowing that the whole world needs to be impacted. (i.e. The Restoration of All Things is to be our driving force,⁵ not revival.)
20. To work towards The Restoration of All Things we need to operate through our spirit, because our spirit does things perfectly.
21. Our spirit isn't corrupted, so the work we can achieve with our spirit is far more powerful.
22. Working through our spirit is far more advantageous and expansive than it is when we speak or do things in the natural.

23. Our most effective work for the Kingdom is hidden from others because we do it through our spirit.
24. Most believers⁶ in Australia aren't using their spirit to impact the nation because they don't know anything about it.
25. The King prefers us to communicate with him via our spirit, not pray audibly for things.
26. Spiritual communications leads to a closer relationship with him.
27. Spiritual communication with him leads us to become able to speak things into being.
28. Once we learn to speak things into being we'll need to improve that skill – in alignment with him – so we can effectively speak things into being for our nation.
29. Numerous believers in Australia are already working with decreeing and declaring, but it's essential that they do it in alignment with him.
30. Decreeing and declaring will only have the King's authority⁷ if it's released through a person's spirit, not just their mouth.
31. To use the power and authority that we have to impact our nation, requires us to align with him and to operate through our spirit.
32. It's not decrees and declarations spoken by lone believers that have the biggest impact, it's the increase in numbers of those speaking through their spirit that will make the most impact.
33. Increased numbers of us, operating the Kingdom way, will produce changes in the nation's spiritual atmosphere.
34. Jesus of Nazareth demonstrated the way to speak things into being. (He's our prototype,⁸ so it's best to follow his example.)
35. We need a paradigm shift to 'step up' and do things his way.
36. It's important that we **don't** do things the way we believe he would have us do things.
37. He's told us many times to do things his way.⁹
38. He wants us to change our heart and mind so we do things the way that he wants things to be done. That's our logical response for the King of Kings.
