

↳ THE WORD ↵

January 2020

*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God to me.
The facts are on page one, while the sources are on page 2, so it is clear where they came from.*

**SOURCE FILE:** “Strong Leadership Will Be Required in the Future”<sup>ii</sup>

1. There is a time coming soon when strong leadership will be required to support those who are in the Kingdom.<sup>iii</sup>
2. The support will also be for families and those suffering distress.<sup>iv</sup>
3. These leaders will operate in both spiritual and natural wisdom as the two will be required simultaneously to guide others for their protection and survival.<sup>v</sup>
4. These leaders will be able to ‘think on their feet’, making swift, decisive and effective decisions. That is, they will be confident decision-makers, confident in what they have decided, without wavering.<sup>vi</sup>
5. These leaders will be life-experienced and have the ability to constantly receive communication from Heaven.<sup>vii</sup>
6. They’ll be able to communicate spirit-to-Spirit and have skills and experiences in every-day living.<sup>viii</sup>
7. They’ll be a special breed, supple, not ‘set in their ways’, not dogmatic, not unbending and able to be molded by the Spirit.<sup>ix</sup>
8. They’ll be fluid thinkers, able to flow with the Spirit so they can change direction and tack with ease and without resistance.<sup>x</sup>
9. These are the characteristics required by leaders so they can keep others safe, so they can survive and prosper.<sup>xi</sup>
10. What they do will be a team effort between them and the supply of Heaven.<sup>xii</sup>

iii – “There is a time coming soon when strong leadership will be required to support those who are in the Kingdom.”

iv – “It will be support also for families and for those, as in days of disaster, who connect with true leaders in their distress.”

v – “These leaders will operate in both spiritual and natural wisdom as the two will be required simultaneously to guide others for their protection and survival.”

vi – “Their characteristic will be that they are able to ‘think on their feet’, being able to make swift, decisive and effective decisions. These will be confident decision-makers, confident in what they have decided, with no wavering.”

vii – “These leaders will need to be experienced in life as well as the ability to constantly receive communication from Heaven.”

viii – “It will not be all about spirit-to-Spirit communication, but a set of skills and experiences for everyday living as well.”

ix – “These leaders are a special breed. They will not be ‘set in their ways’, not dogmatic, and not unbending. They will be selected because they are supple, so Holy Spirit can modify their learned experience, if necessary, in any situation.”

x – “They will be fluid thinkers, able to flow with the Spirit so they can change direction and tack with ease and without resistance.”

xi – “This is what's required so that those they lead can be kept safe, survive and actually prosper.”

xii – “It will be a team effort – them plus Heaven’s input and supply.”
