October 2020 (part 3)

*This article contains the spiritual facts (realities) I was given prophetically on the above date.
These have been 'The Word' for me as they come from The Word of God to me.
The facts are on page one, while the sources are on page 3-2, so it is clear where they came from.*

1. We have misunderstood Father's character because we don't really know him intimately.<sup>iii</sup>
2. Everything Father does is loving.<sup>iv</sup>
3. Everything Father does is restorative.<sup>v</sup>
4. As we move with Father to restore the planet we must firmly embrace these 2 characteristics of his.<sup>vi</sup>
5. Father's aim is to see the whole of the cosmos (the entire natural realm) restored to how it was at Creation.<sup>vii</sup>
6. As he is loving, he will be eliminating the effects of The Fall in the natural realm.<sup>viii</sup>
7. We are in an Age of Grace due to the work Jesus accomplished for us.<sup>ix</sup>
8. The Trinity's character of love has always been there and always will be, because that's who they are.<sup>x</sup>
9. Their love has many expressions in the natural realm, but it's always redemptive.<sup>xi</sup>
10. Loving parents correct and discipline their children for the children's benefit.<sup>xii</sup>
11. Correction of children is to eliminate bad habits and to train them for effective life as adults.<sup>xiii</sup>
12. The analogy of loving parents disciplining their children is a picture of the Trinity's work with us.<sup>xiv</sup>
13. The evil in the world comes from Adam's failure to keep rulership of the planet, not because Father isn't loving.<sup>xv</sup>
14. Father wants to lovingly bring goodness back into the world again.<sup>xvi</sup>
15. As humans were given the task of managing Earth, all the chaos is our fault, not his.<sup>xvii</sup>
16. Chaos and evil is not the result of Father's anger towards us.<sup>xviii</sup>
17. More accurately, the flourishing of evil has been the fault of Christians over the centuries because they haven't manifested Heaven on the Earth.<sup>xix</sup>
18. We need a lot more work done on our hearts and minds so we can see that the Trinity always operates out of love – that's ALWAYS!<sup>xx</sup>
19. If we don't properly and fully understand their love, we'll continue to be unable to manifest that love, and we won't be able to impact the world through their love.<sup>xxi</sup>
20. It's essential that we draw love from them, through our Internal Kingdom, and allow them to teach us about their love so that we can be effective representatives of them.<sup>xxii</sup>

iii – “**Q:** Lord, explain to us, so we understand, how your dominant character is love and not anger because we subconsciously see you as angry?”

**A:** “My character of love is a concept that people have not understood since the beginning of time. The fallen nature of man and the influence of the enemy to pervert what they know and what they think, has led to the overwhelming concept that I am an angry God. This is so far removed from the reality of who I am, that it could be said to be laughable. It’s like saying your loving, doting mother is an angry, dominating, cranky woman when she’s not. That’s what it’s like describing me as an angry God. You know who your mum is in reality, and no one can tell you otherwise. I know who I am in reality, and you can ‘bet your bottom dollar’ that is correct.”

iv – “This is the concept that my people must learn at this time in history because what is ahead of us, together, as we move towards expanding my Kingdom so it fills the whole Earth, is this: Everything I do is loving. Everything I do is restorative. That’s it in a nutshell. ”

v – “This is the concept that my people must learn at this time in history because what is ahead of us, together, as we move towards expanding my Kingdom so it fills the whole Earth, is this: Everything I do is loving. Everything I do is restorative. That’s it in a nutshell. ”

vi – “This is the concept that my people must learn at this time in history because what is ahead of us, together, as we move towards expanding my Kingdom so it fills the whole Earth, is this: Everything I do is loving. Everything I do is restorative. That’s it in a nutshell. ”

vii – “My aim is to see creation – that is, the whole cosmos, including humanity, brought back to where I created it in the first place.”

viii – “The effects of The Fall have to be nullified to the extent that it no longer exists. This is what I am working towards, and, if I am a loving God, this should be a highlight for you of that character.”

ix – “It’s true, you are living in the Age of Grace because of the work I did as Jesus of Nazareth and what I accomplished in my death and resurrection.”

x – “Father’s character of love and mine, have always been there, and they always will be because this is who we are.”

xi – “There are many variations of our love out there among my people, but the central understanding is what I’ve just said. Everything I do is done out of love for a redemptive purpose, for the best.”

xii – “For those of you who are parents, you know you correct and discipline your children when they’re young because you want the best for them. I am not talking here about those who act out of anger or hate or resentment towards their children, I’m talking about genuine loving parents.”

xiii – “You know that if you don’t correct your child’s bad habits, it will impact their lives severely some time in the future. You know that if they don’t learn to align with society’s protocols, the right way of doing things, the right way of speaking and the like, they won’t fit into society properly. You also want to inculcate into your children good habits, good manners, good attitudes and good speech, and this all involves discipline and correction. Loving parents do this out of love. Sure, they make mistakes, when their soul and their emotions get involved and they do or say something that’s not out of love. But the basic tenet of their operation is that they love their children and they want the best for them, and they know that if they leave them to themselves, there won’t be much hope for them, because children don’t understand the reality of the world around them. ”

xiv – “I want you to take that concept of a doting parent and use it if you must have an analogy of who I am. I want the best for my people, and I operate out of love. ”

xv – “Some say that I can’t be a loving God because of all the evil in the world. I don’t have to explain that to you. You know that has come about because of The Fall, as a consequence of Adam’s failure to remain true to me, and to comply with the principles I set in place at creation. You know that he gave over the dominion of the Earth to the enemy when he submitted to the request of the enemy, rather than to following my directives, and as the enemy has been given this dominion, he wreaks havoc because that’s his nature.”

xvi – “He wants to destroy everything that I’m doing, that Father is doing to bring everything back into goodness again. ”

xvii – “Out of love of creation, we placed humanity as our vice-regents, but because humanity hasn’t followed our principles and protocols, and hasn’t aligned with us, the Earth is suffering chaos.”

xviii – “This is not the result of our anger. It’s the consequence of the failure of humanity to operate as they were created to.”

xix – “And more importantly, the failure of my people to take control of the spiritual atmosphere and see Heaven manifested on the face of the Earth, so that our love can be seen.”

xx – “There’s a lot of work that needs to be done for my people to understand that our main character is love.”

xxi – “If they don’t understand it properly, they can’t manifest it properly, and if they can’t manifest it properly, they can’t impact the world.”

xxii – “So it’s essential that you draw love from us, from your Internal Kingdom, and allow us to teach you about our love so that you can be effective representatives of us.”
