Speaking with the King's Authority (4-11-2025)

This article contains the spiritual facts (realities) I was given prophetically on the above date.

These have been 'The Word' for me as they come from The Word of God¹ to me.

The facts are located here as paragraph point-summaries, while the source information is in the original file.

1. We have his authority. We don't need to ask for it, just to use it properly.
2. Jesus of Nazareth exemplified the way to speak for Father (or him) – he's our prototype to copy.
3. Our mind must be clear of corruption from our worldliness
4. We speak into the spirit realm and it then manifests in the physical realm.
5. The spirit realm responds to our voice, just like it does to his voice.
6. To speak successfully for him, we need to know his heart and mind, not know about him.
7. Knowing his heart and mind comes through our intimacy and oneness with him.
8. Quoting scripture is not speaking for him.
9. We can only speak for him when he gives us something to speak in our spirit, not when we think we are doing it with his authority.
10. Our prerequisite is to have our mind clear so we can hear what he wants us to speak in our spirit.
11. Emotions and 'gut' feelings have nothing to do with speaking for him.
12. Practise in speaking for him will train us to know when to speak and what to speak.
13. We must be in the right frame of mind to speak – no anger, disgust, etc.
14. Compassion is not necessarily an indication that we need to speak for him.
15. Check with him before moving with a prophetic word we may have received which indicates we are to speak for him.
16. To speak with his authority, we have to be in alignment with his heart and mind.
17. Speaking for him is a role for sons as co-creators and partners with him on Kingdom business.
18. When speaking for him we need to concentrate on him and what he's saying to our spirit so we don't shift into foolishness and presumption.
19. Our heart needs to be aligned with him also.
20. Our heart needs to be soft.
21. Humility is essential for speaking for him so we don't promote ourselves through the influence of our soul.
22. It's important to have our soul in submission to our spirit to successfully speak for him – they need realigning.
23. The realignment of our soul and spirit is also essential for our maturity as sons, so we can take our place in supervision of Earth with him.
24. Alignment with his heart and mind allows us to confidently speak for him.
25. Alignment with his plans and purposes is also essential to speak for him.
26. If we don't know what he's currently doing, we can actually speak against his plans and activities.

27. We need faith to speak for him.
28. Our faith comes from either him or from within ourselves.
29. The proper faith to operate in is the faith that comes from him.
30. We receive faith from him when he interacts with our spirit.
31. There's a fine line between those two sources of faith.
32. Practice and experience in hearing his spiritual communication is essential to be able to correctly speak for him.
33. Having our spirit as the dominant component of our being allows us to accurately and effectively speak for him.
34. Maturity in our sonship is also important for speaking accurately and effectively for him.
35. Speaking in faith must also include speaking with intent.
36. Intent comes from wholeheartedly knowing that what we're speaking is from him, and wholeheartedly believing that it will achieve what it's sent out to do.
37. Being doubtful, wishy-washy, fearful to speak, or being unsure, won't produce the results that are intended.
38. Slipping into the world's way of making things happen must not be used when speaking for him.
39. Raising the tone of our voice in any way does not improve how we speak for him.
40. **Mature sons** don't need the Spirit to speak through them – they speak for him because they know his heart, mind and plans.
