### SOURCE FILE: "KCC MESSAGE: The King's Message for 2026"<sup>2</sup>

1. Have you been really listening to what I've been saying through the KCC prophetic messages?
2. Have you been meditating on their content and allowing it to settle in your spirit?
3. Have you been talking to me about what you've read in my messages?
4. Listening to what I say through my prophetic messages is the only way you'll grow and develop in your sonship.
5. Reading my prophetic messages with your mind and not having your spirit engaged at the same time means that my word can't change your heart and mind.
6. There are many years of prophetic messages that I have supplied to Laurence for distribution to the people of Australia.
7. All those messages are for my sons and for those who my Spirit is drawing into the reality of their sonship.
8. My advice for 2026 is to read through all of my previous monthly messages that I've supplied through CCOP<sup>3</sup> and KCC<sup>4</sup>, right back to 2014.
9. Those are not the only ones you need to read.<sup>5</sup>
10. Reading back over the past 12 years, or so, will allow you to really get a picture of what I've been saying to my people in Australia.
11. Many of the messages have been to train you to come into alignment with me in your mindsets, worldviews and understandings.
12. Many others have been preparing you spiritually for the future, as well as how to live the Kingdom way in the world.
13. My 2026 New Year message for you is this: Cease forgetting about what I say in these recorded prophetic messages, and take what I say to heart.
14. Allow your spirit and my spirit to confirm with you what you need to be focused on, and move with those that are highlighted to you.
15. There's a lot I need to accomplish on the Earth through my people, so your attitude should be that time is short.
16. I desire for my people to align with me as closely as they possibly can. So, aim to do it perfectly.
17. The world situation can be classified as dire, so my people need to work with me as a team so that their nation can change.
18. Backing us up in what I'm doing with teamwork is my people's responsibility.
19. In summary, for 2026, catch up in the content of my messages that you have ignored or forgotten about, and focus on these two things to assist you during the year:

- Listen with your spirit 24/7, not just at specific times of the day or days of the week. You will personally receive vital messages from me in the year ahead, which you need to comply with.
  - Align your heart and mind with me so you can represent me more accurately and function more appropriately as a son. This will happen if you focus on developing your intimate relationship and oneness with me, rather than going about doing what you think I want you to do.
20. NOTE: Alignment with me builds spiritual pressure for the Kingdom in your nation so that it changes as I want it to be.
21. See 2026 as a renaissance in your desire to work with me to expand the Kingdom my way.
22. You can do this by using your thoughts, time, energy, and your finances on the Kingdom projects that I assign to you personally, as well as those for your nation's benefit.
23. NOTE: My people desire their nation to change, but it won't come through church revival. It comes when my people are connected with me in partnership. That's how the Kingdom is enabled to display itself more openly, more effectively, and with more impact in your nation.
