

Think Twice Before Disdaining Others

The Spirit has spoken concerning our propensity to have contempt and disdain for people we don't like. These attitudes are not ones belonging to the Kingdom, so they must go.

This is the message from the Spirit:

*‘Do your best to not treat someone with contempt. It is not something you can take back, and you will be left with regret. It will take you out of the spirit and deposit you squarely in the flesh. Think twice before you violate the boundaries of another individual with disdain.’*¹

Sons should consider contempt and disdain as unrighteous² and refuse to allow them to manifest in their lives.

Like other things that we don't consider evil or 'bad'³, these 'go under the radar' because we've engaged in them all our lives. It's time to continue our deprogramming and reprogramming processes and eliminate these whenever we detect that we are engaging in them
