

This Age is ‘The Sabbath Day of Rest’

This is an important message.

We have known that the Sabbath was fulfilled in the work of The Son to bring in the New Covenant (NC). However, we've not had a confirming word which expands on this and gives us the information we need to be at rest without legalism badgering us to keep Shabbat¹. The pressure to keep the Sabbath ritual(s) has been overwhelming within Christendom, so much so that it caused major divisions and splits in the past.²

It wasn't enough to sprout, “Jesus is the Lord of the Sabbath”, because it landed ‘like water on a duck's back’ among the Sabbath-keepers. Not any more. Father has given us a definitive statement that we are now in the age of Sabbath Rest which will unfold and reveal just what it's all about for us today, instead of what's understood by those living under the OC.

The age of ‘The Sabbath Day of Rest’ has finally come about because believers are now learning to become sons, and sons are starting to live in oneness with the Trinity. That's where Sabbath Rest is actually found, not in the Law.

Here's what Father said to Kriston Couchey:

“I am coming now in the fullness of time because I have found a people who will walk in oneness with Me as a corporate Bride. The Day of Mature Sons is upon you. Sons who will not labor by their own wisdom and works, but will choose Rest in my completed work, just as my Son did. It is the Age of my Heavenly Rest.

The ages are not measured primarily in terms of time, but according to the state of my relationship with men. This unfolding age is named The Sabbath Day of My Rest. Those who become one with me have died in Me and have ceased from their labors and now enter my rest. Those who have died in Me will know me as I AM. The I AM is now your life. See yourself as I see you. Because we are one, you ARE what I AM. You become my redemption, my healing, my deliverance, My grace and my life for the world. When we are one, I am free to touch people by your hands and feet; and you are my Word to them - ‘as I AM, so you are in this world’.”³

So, there you have it.

Rest and enjoy life as you live in oneness.

‘Now you know’. Don’t let anyone take it away from you.
