

This Will Require Absolute Honesty

As we work with Father to be reprogrammed, changed, cleaned out, skilled, trained, and everything else, we need to be totally honest with ourselves and with him. Any lack of honesty regarding what we are really like on the inside will slow down the work that he wants to do in us.

Honesty is very important in other areas as well, as we need to know ourselves accurately in all areas of our being. This importance was confirmed in a message we received recently:

“Pay close attention to the details of your life. It is the details that make up the whole picture of where you are emotionally, mentally, spiritually and naturally. There are things you need to change if your desire is to grow into the best version of yourself. This will also require unadulterated honesty so that you can see clearly where you are and where you want to be”, says the Lord.”¹

Takeaway: Be honest with yourself and with what you talk to Father about.
