

# We Are in Genesis, Not Revelation

We are in Genesis<sup>1</sup>: A glorious new beginning!!!

What if I told you that "Christians" have been laying hold of the wrong storyline? That the World was never destined to go to "Hell in a Hell basket"?<sup>2</sup>

What if I told you that we were created in Papa's<sup>3</sup> very likeness or image...That we are gods or Elohim??<sup>4</sup>

What if we are in the apocalypse<sup>5</sup> ("the unveiling"<sup>6</sup>)...And Christ is being unveiled within us as sons of Papa (Christ in us, the hope of glory)...Whom all the Earth has been groaning or "standing on tip toe" for to be revealed...

Elohim, sons of El Elyon (many as one).

That we are not in Revelation<sup>7</sup>, but in Genesis<sup>8</sup>...That the end of this era is to be met with a whole new beginning...

Behind us is the wilderness and before us is an Eden<sup>9</sup>...Where all of us can thrive along with creation, where death has lost its sting and where what is before us is consumed in Papa's all-consuming love... That nothing is beyond restoration and redemption...

This is the New Earth before us: We get to co-create and create...

The future is truly so, so bright!!
