

We're On The Cusp

(A conversational prophetic message recorded on the 22nd June 2022)

Question: *Lord, you've been releasing worldwide, that we're on the cusp of something wonderful, something unexpected. What is it that you want to tell us about this, so that we're prepared?*

Message

"This is the time I've been waiting for, and literally, I'm excited. I will see many of my plans come to fruition in the days ahead and the years ahead.

I have at last got my people moving in the right direction, listening to me, working with me, and partnering with me. That's what I wanted all along.

There's no time to 'dilly-dally', to waste, to spend on yourself, to spend on superfluous matters, on things that are not essential for the Kingdom. Unless we have focus together, what I want to release and am about to release, will be slow or will be held up.

I anticipate there will be problems. There will be resistance to what I am doing. From experience, that is to be expected. Your human reactions, your desire to follow your heart and your soul and your mind, will prevent many from accepting what I'm about to do. Sure, they will see wonderful things happening, but reticence will keep them 'boxed up'.

I desire for you to drop down all those barriers that you have that are preventing me from reaching you. You want the abundant life of the Kingdom that I promised, but you shut me out. This can't happen. Those 'walls' must come down. Those barriers must evaporate so that we can work together, so that the glory I want to release, the wonders I want to release, the great move of my Spirit that I want to release, can take place. Remember, I work through you and I work with you. I created you to be my partners in the management of the [entire]¹ natural realm.

So, I'm admonishing² you to change your ways, change the way you think. Think like me – that's what renewing your mind is all about. Then you'll be able to think like me. You'll be able to see like I see, and you'll be able to react to things the right way. In most cases you'll respond from my heart.

This is what's necessary for what's coming, so prepare yourself for a move that I'm going to do worldwide. It will start in places, here and there, but it will spread. Prepare yourself by preparing your heart to be mine.³ I can't work with a divided heart⁴. Accept me as your beloved and set your priorities as my priorities. That doesn't mean you don't enjoy life. Enjoy life with me, not with me as an addition.

We're going to go into this time together. It will be exciting, and it will be a blessing to the whole of the human race. It will even be a blessing to [all] the natural realm, as my sons rise up in maturity, and the natural realm responds with joy.

This is part of the move towards The Restoration of All Things. If you haven't got your mind around that, you need to, because that's where I'm headed. I want to reverse the effects of The Fall, and bring the whole of humanity back to where they were when I created them. This will be a slow process, a very slow process, because of resistance. But this is where I'm taking you. I need you to see that. I need you to align with that. I need that to be a priority in your whole being.

Look forward⁵ to what I'm about to do. It's coming. Prepare yourself in every respect. Ready yourself, but don't put aside the things that are your responsibilities in the natural. That's not what I want. Focus on me. Focus on what I want. Focus on my plans. Focus on what I've told you, what I've spoken to you about personally. Let's move into this time together. I'm excited. Get excited [too]."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.

NOTE: We are independent and not members of any prophetic alliance. Holy Spirit is our leader and King Jesus is our head and oversight.
