

# What is Coming Will Be More of Him

Many believers are currently in fear of the future or are up-in-arms about what's going on, which has misdirected them from a proper focus on the Kingdom. Even many who claim to be sons or Kingdom citizens have been duped into focusing more on the current state of affairs.

Our focus MUST be the King, the Kingdom and the King's plans – nothing more. If we really do, everything else will take their proper place, as we live in trust, rest and relaxation which maintains our peace. You see, if we really rely on him to supply ALL our needs, then there should be no anxiousness, stress or fear at all.

What we need to get fixed in our heart and mind is that he's looking after us and has good plans to override the bad.<sup>1</sup> In fact, he lives in the NOW of time and space and works in the future for us while we aren't even there.<sup>2</sup> That means, he's not waiting for events to take place and then starting to work for us, he's already done what he needs to do by the time we get there. That then means, the future is his and he's there waiting for us to catch up with him.

Don't believe me? Read this message from him:

*“My plans for your life extend beyond your view, beyond your understanding. You see what is in front of you today, but **I have gone into your future** and know the good things that will unfold before you. Never doubt that your days are in my hands. This is the time for your destiny to become clear and your purpose to be unveiled. Do not be afraid of what comes, for **what comes to you will be more of me.** Stand in my presence until you know that I am your strength. Rest in me, and watch me fill you, protect you, and make you strong.”<sup>3</sup>*

Why worry? Why have our own plans?

Laurence
